Dear Parent or Carer

Re: YEAR 10 SUMMER PRE-PUBLIC EXAMINATIONS

As part of our on-going exam preparation for next summer's GCSE exams, your son or daughter will take part in Pre-Public Examinations starting on 21st June 2021. The exam format will be the same as the summer GCSE exams. The exams will be run in accordance with JCQ regulations and will reflect the conditions of real GCSEs as closely as possible. The PPE results will be used by staff to identify gaps in knowledge and to give an indication of the expected grade in the summer examination series.

It is the responsibility of the pupil to make sure they bring the correct equipment for the exam: a black pen, and a maths set and calculator for maths or science exams. It is a requirement that all pupils bring their own calculators and maths sets to the exam. If you need to purchase a calculator, the Casio FX83-GT Plus is available direct from the maths department.

The timetable for the examinations is attached and your child is aware that these exams are taking place; please encourage him or her to continue their revision in preparation. We appreciate that some pupils find exams stressful however please be assured we will do all we can to support your child through the exam process.

Should you have any concerns or queries regarding the PPE examinations, please feel free to contact me.

Yours sincerely,

Mr Matthew Williams
Progress Lead for KS4

Year 10 PPE Timetable - June 2021

Date Week B	Morning - AM	Afternoon – PM
Monday 21st June	Travel & Tourism - 1:00 Design Technology - 1:00	French Reading - 1:00 Business - 1:00
