Dear Parent or Carer

Re: 'Year 11 exams - supporting your child' presentation to parents – 4th October 6.00-7.00pm

I am writing to invite you to this evening presentation, aimed at helping parents to support their child through the next few months in the run-up to the summer exams. We recognise that this can be a stressful time for both pupils and parents and we would like to offer help and guidance on how you can best meet the challenges posed by the new exam system and the increased number of exams pupils will have to sit.

There will also be representatives from the teaching teams who will deliver information on how they are preparing pupils, such as the revision tools pupils should be using and the specific information given to the pupils in lessons. This will ensure that parents and teachers are giving the same messages to pupils about what they should be doing to prepare for the exams and build on the work done for the PPE1 exams in November.

I would be grateful if you could return the reply slip below to indicate whether or not you are able to attend the evening. If you would like to discuss the progress of your child at any time please contact your child's House Tutor or Mrs. West (Progress Lead for KS4).

Yours sincerely

Mrs H. West
