When pupils arrive at school for an exam or revision session, they must sign in on a daily signing in and out sheet and attend their morning line up area before going to form or pre-examination preparation/refreshments prior to the examination.

After their examination, pupils will sign out at reception and leave the building. For afternoon exams, pupils are to sign in and wait in their examination line up area until instructed by staff to enter their respective examination venue.

On days where pupils have examinations in the morning and afternoon, a revision room is available for them to access period 2 and period 3, detailed above. Pupils can use the main canteen, as normal, for their lunch.

If you have any questions about the arrangements for Year 11 next week please do not hesitate to contact Miss Brown. Head of Year 11.

Yours sincerely,

Mrs V. Crossman
Head of School
