

2020 Catch up funding Plan

1. Summary information			
School	Chadsmoor CE Junior School		
Academic Years	2020/21	Total Catch up budget 2020	£18,720
Total number of pupils	221		

2. Areas of weakness will be identified each term from assessments.

Baseline Assessment

Writing skills - Writing is a big focus at the Junior school as very little good quality work was completed during lockdown. Children were prone to complete the minimum and were not encouraged to edit and improve work. Also lack of subject knowledge of parents meant skills were not practised

Reading skills – As a result of lost teaching and regular reading practice, it is clear that reading is a great area of need for all children across the junior school.

Maths Skills – To address any lost learning and recap basic skills during lockdown

Focus this term is on Years 3 and 4 as school had already committed to investing in smaller class sizes for Y5 and Y6 in Maths and English. This will be reviewed on a termly basis.
