Firstly we are pleased to report that the majority of parents who responded were pleased with the school. It is reassuring to know that the hard work and dedication of the staff to ensure your children can reach their full potential is appreciated. Of course this is most effective when parents work with us in partnership to best meet the needs of each individual.

Your suggestions for improvements have provided us with food for thought and we always welcome any comments regarding the provision which enable us to improve the 5 outcomes for children - Be Healthy, Stay Safe, Enjoy and Achieve, Make a Positive Contribution & Achieve Economic Well-being. The results of the survey have been passed on to Governors and over the following months we will be looking at issues raised.

In the meantime you can find out more about our governors by visiting the designated page on our school website www.chadsmoor-junior.staffs.sch.uk

Yours sincerely
