Omega MAT Interschool Athletics Competition

This week, pupils from Burtonwood, Bradhsaw St.James and Park Road were invited to join Chapelford in the first ever Omega MAT interschool sports event.

The interschool athletics competition at Chapelford was a huge success, with eager and determined pupils from the different schools coming together to compete in various activities such as long jump, javelin, long distance running and a sprint. The

event enabled pupils to develop important skills such as teamwork and communication, while also providing an opportunity for them to showcase their talents and represent their schools with pride. It's a fantastic initiative to encourage sportsmanship and promote physical activity whilst meeting new people and having fun at the same time. We are delighted that the event has been such a huge success and look forward to it becoming a regular tradition in the school calendar.

At the end of the day, all the schools came together to congratulate each other on a job well done and to celebrate the spirit of friendly competition. The athletes from both schools had given their best effort and had a great time competing against each other. Congratulations to the Chapelford team on their impressive victory and well-deserved win of the Year 6 2024 Athletics trophy. It's heartwarming to see the display of good sportsmanship from all teams involved, highlighting the importance of teamwork, resilience and respect in competitive events. Medals were handed out to children across the schools for demonstrating values that made all the teachers proud. A huge well done to all the athletes for their hard work and dedication!

High Performance Learning at Chapelford Village Primary School

As a school, we have embarked upon a journey of adopting a High Performance Learning philosophy and framework with the aim of becoming a High Performance Learning School.

This is a unique teaching and learning framework to support us in establishing an ambitious school culture. As part of this framework, we have strengthened the children's understanding of our school ethos to Learn, Achieve and Respect. For this half term in Summer 1, we will be focusing on what it means to Achieve, which is to be Aspirations, Perseverance, and Resilience. Each week, we will explore a different value and how all children can demonstrate this to be a high performer.

Value for Summer 1 is **ACHIEVE**

Health & Safety Reminders

- ◆ **Reminder vaping is prohibited on the school grounds. Please do not use your vape until you are on the outside of the school gates. Thank you for your co-operation.**
- ◆ May we ask for support with the safe use and enjoyment of the climbing frame by ensuring children do not use it before and after school.
- ◆ Could we please politely remind parents to take care driving around both front and rear car parks at school drop off and pick up times, paying particular attention to the crossings as there have been a few near misses this week. Thanks in advance for your support with this as we all work together to keep our children safe.
- ◆ Smart Watches are not to be worn for school.
- ◆ E-SCOOTERS. Please can we take care on arrival to school on e-scooters.
- ◆ Bikes and scooters must **NOT** be ridden until outside of the school grounds!
- ◆ All ballgames including football are not to be played on the school playgrounds during drop-off and pick-up.
- ◆ School Gym Equipment is for pupils during the school day only.
- ◆ Please remember that dogs except for assistance dogs are NOT permitted on school grounds under any circumstances.

Please can we remind all parents that in the interest of health and safety children are not permitted to use the playground or any of the equipment after school. We would like to encourage all parents and children to leave the grounds after pick-up so that the site can be secured and gates locked. Thank you for your co-operation.
