## NEWSLETTER

Friday 10th September 2021

Welcome back everyone and I hope you had a restful and relaxing summer break. I'd like to extend a special welcome to the parents of any new children that have joined our school this academic year and of course that includes the parents and carers of our new EYFS children. The youngest of our children have been visiting us this week but will be staying in school all day from Monday. They are already settling in really well and have been thoroughly enjoying the early years' provision.

What a lovely first week back it has been for the rest of the school too! It has been wonderful to see the children mixing again on the playgrounds and being able to move around the school as we used to. The glorious sunshine has been an added bonus for us all. The children look incredibly smart in their new uniforms and shoes and to help us in ensuring that your child's uniform doesn't get lost, please label each item with their name. Thank you too for supporting us by only allowing your child to bring small book bags into school. The limitations of space make this much easier for teachers and children in the classroom.

Year 3 children will be going to FoxHowl in Delamere Forest next week on their first educational residential. Educational trips and visits will be taking place for all year groups across the year which enhance the learning within the classroom. If you wish to know the residential dates in advance, please visit the diary section on our website.

If you have any concerns or questions at all, please don't hesitate to contact the school office or class teacher. You can email the class teacher or drop in after school. We ask that you avoid trying to catch them for a chat in the mornings, as they will be busy settling the children into class and beginning learning.

Thank you for your continued support.

Kind regards

*Mrs J Hewson*  
Headteacher

### Morning Procedures

We have a small percentage of children who arrive late in the morning. We understand that circumstances occasionally arise that mean that problems occur and we are more than happy to support families at these times. Please call school on these occasions and we will assist in the best way we can.

Please note that classroom doors will be opened at **8:45am** and close promptly at **8.50am** after which time your child will need to be signed in at the school office.

School finishes at **3:15pm**.

We would appreciate your support in this matter.
