## NEWSLETTER

Friday 11th February 2022

Technology is developing all of the time and so it is crucial that we support our children by teaching them how to stay safe while on the internet. Tuesday was Safer Internet Day and this year the theme was 'All fun and games?' which involves exploring respect and relationships online. Safer Internet Day is celebrated globally each year to promote the safe and positive use of digital technology.

Every child in school took part in a range of activities that reminded them of all the great things about being online while reminding themselves on how to stay safe. Our younger children also listened to the story of Digiduck and the Magic Castle. In KS2, the children used different scenarios to encourage discussions and then explain which are appropriate responses to online messages. The children produced some lovely learning which you will find on our Facebook page.

We are proud of all of our children but I want to give an extra mention this week to our Head Boy, Harrison, who is raising money to buy a defibrillator to be used here at school. He is planning a sponsored walk up Snowdon. Each defibrillator costs £1200 and to date, Harrison has raised a massive £2810. That means he has achieved his goal and all extra money will go towards buying defibrillators to be used in the local community. If you would like to support Harrison, then you'll find details of his Go Fund Me page on our Facebook page.

Wishing you all a fabulous weekend

### Scouts Guides

On 22<sup>nd</sup> February each year, Guides and Scouts across the world think of each other and express their thanks and appreciation for the international movement. 22<sup>nd</sup> February was chosen as it is the birthday of Boy Scout Founder, Lord Robert Baden-Powell, and his wife Olave Baden-Powell, World Chief Guide.

Some of our local Guiding and Scouting members attend Chapelford Primary School they are invited to wear their Guiding/Scouting Uniform to school on **Friday 18<sup>th</sup> February 2022**, as 22<sup>nd</sup> February falls during the half term holidays. In doing so, the members would be able to celebrate the two organisations that they are a part of and share it with others.
