Headteacher's Comment

Dear parents and carers,

What a lovely week it has been once again especially with the sunshine making another welcome appearance!

Although we are now in our second-to-last week of the academic year, there has been no slowing down at Chapelford. The children have continued to throw themselves into their learning and a variety of exciting activities, including the brilliant Year 3 clarineo performance, a thrilling rounders competition and the Year 6 Soup Kitchen.

A huge well done to all our children who have challenged themselves this week. Whether that was performing in front of an audience, representing the school in a competition or trying something new. We are very proud of each and every one of you.

Looking ahead, next week is shaping up to be another busy one as we host the final events of this school year. It is certainly not a "winding down" week!

On Monday, our School Councillors have been invited to a special lunch to celebrate the end of their term of office. This team has worked hard all year to represent pupil voice and contribute meaningfully to school life. It's been fantastic to see our council grow and we are proud of the role they have played. Hopefully we have some aspiring future leaders amongst us!

Also next week, I will be hosting the Headteacher's Tea Party, where one pupil from each class who has gone above and beyond by demonstrating our Chapelford values, showing commitment to their learning and making their teacher proud will be invited to share their achievements over some well-deserved treats. I can't wait to celebrate with them.

There are lots of other exciting events happening across school next week, so please do check the dates and key reminders section below to help with organisation.

A couple of helpful reminders:

- ◆ Please remember to send your child in with a bag for life or strong bag next Thursday, so they can bring home their work books and share their learning journey with you.
- ◆ If you have any school books or resources at home, we would really appreciate these being returned so we can tidy and reorganise in preparation for September.

Thank you, as always, for your continued support. I look forward to another lovely week with the children. Until then, have a wonderful weekend and enjoy the sunshine!

Best wishes,
Mrs N Stewart
Headteacher

Year 6 Soup Kitchen Success!

This term, our brilliant Year 6 pupils have been cooking up a storm as part of their Design and Technology project focused on food preparation and hygiene.

The children began their project by exploring existing soup products by tasting, describing and evaluating different flavours and textures. Using words like smooth, chunky, spicy, and mild, they carefully analysed each soup. They even discovered that fruits and vegetables with similar colours often have similar health benefits!

Using this knowledge, the children then designed their own soup recipes thinking about taste, texture, nutrition and appearance. They also learned how eating seasonal vegetables is not only good for our health but also better for the environment.

Next, the class put their geography skills to the test by finding out where different fruits and vegetables are grown around the world. They also investigated how herbs and spices could change the taste of their soups and learned that everyone's tastes are different!

When it was time to cook, the children followed their carefully planned recipes. They learned to chop safely using the bridge and claw techniques, practised good food hygiene and made sure to avoid cross-contamination in the kitchen. We were so proud to see how sensibly they worked - and how well they worked together!

To celebrate their hard work, the children turned our school hall into a cosy Year 6 Soup Kitchen by inviting their parents to come and taste the final results. On the menu were delicious soups such as tomato, spiced vegetable, leek and potato and chicken.

The event was a big hit! The children were polite, confident servers and the parents were very happy (and full!). The children greeted the adults, seated them, took their soup order and delivered it with a smile. We had incredible hosts delivering bread, water and cutlery along with the soup. The smell of soup filled the school and left everyone's mouths watering. We had some lovely feedback and we are sure we have some budding chefs of the future!

We are incredibly proud of how creative, collaborative and responsible our Year 6 pupils have been. This project has not only helped them grow in confidence and skill, it was a lovely way to celebrate their final days at primary school.

Well done, Year 6!

KEY REMINDERS AND DATES

Date	Event
W/B Monday 14th July	Geography Field Trips for Year 6
Monday 14th July	School Council Lunch
Monday 14th July	Headteacher's Tea Party
Tuesday 15th July	Headteacher's Tea party
Tuesday 15th July	Year 6 Leavers performance at Barrow Hall Theatre
Wednesday 16th July	EYFS Graduation and Welcome to Year 1
Wednesday 16th July	House Point Winners Beach Party
Thursday 17th July	Year 6 Festival Day
Friday 18th July	School finishes for summer Year 6 farewell
Reminders	
<ul style="list-style-type: none"> • There are no clubs, including Learning Club, before or after school next week. This does not affect Breakfast Club. • For parents of children in St. Patrick's house, please see the letter sent regarding the beach party. • Please return all books, resources and instruments to school to support us tidying and organising for September. • Send a strong bag or bag for life into school on Thursday. • Please do not use the equipment on the playground before or after school. 	

Can all children please bring in a strong plastic bag ready to take their workbooks from this year home. Thank you.

High Performance Learning at Chapelford Village Primary School

As a school, we have adopted the High Performance Learning philosophy and framework, which is a unique teaching and learning framework to support us in establishing an ambitious school culture. We continue to embed our school values of Chapelford and our ethos to Learn, Achieve and Respect through weekly assemblies, classrooms discussions and through our reward system, including dojos, house points and certificates.

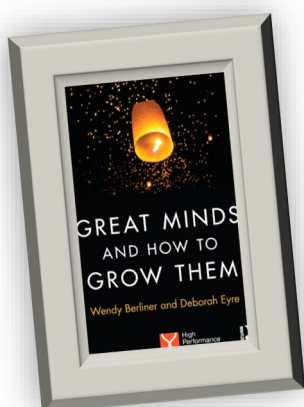

In addition to focusing on our values, we also discuss thinking strategies with the children known as ACPs (Advanced Cognitive Performance Characteristics). This half term, our focus is on 'Realising' which is the ability to work at speed and carry out tasks automatically. To support your child with developing their knowledge of realising at home, please encourage them to carry out tasks at pace and encourage practice of the same tasks to increase the ease of these.

Value for this week is **LEARN**

Friday 18th	End of Summer 2 Term

Trainer of the Week

Congratulations to **Emily** for working really hard this week in her Netball after school club.

Health & Safety Reminders

Sandpit and the playground equipment

We know that our new sandpit and the exciting playground equipment can be incredibly tempting to utilise during the drop off and pick up times. However, due to health and safety concerns please can we ask that you refrain from using these. Thank you for your ongoing support with this.

Parental concerns and issues

We take all concerns and issues seriously.

- ◇ If you have any worries, please contact the school and/or class teachers directly via the following methods: Email the class teacher: All class teachers have a direct email – these can be found on the [school web-site](#)
- ◇ Email the school office: office@chapelfordvillageprimary.co.uk.
- ◇ Call the school: 01925 712554

School Meals

Please be aware that we are a **NUT FREE** school.

We have children in school with severe nut allergies, please do not send your child into school with any nut related products.

Thank you in advance.

In line with the Governments Healthy School incitive parents are requested to only send healthy snacks for their children for break and lunch time. Please ensure these items are low in fat and/or sugar. Thank you for your co-operation.

ParentPay

Can we request that children's ParentPay accounts are regularly topped up, to make sure the children continue to receive their school lunches and snacks.

Free School Meals end for pupils at the end of Year 2. School lunch is £2.80 per person per day it to be paid via Parentpay.

If you require more help please don't hesitate to contact the school office on **01925 712554** or email us on office@chapelfordvillageprimary.co.uk

Reminder - Once money has been put onto your child's account this needs to be allocation to school meals.
