Headteacher's Comment

Dear families,

It has been another busy and exciting week at Chapelford, with lots taking place across every year group.

Our Year 6 children have been working incredibly hard as they prepare for their special end-of-year performance of The Lion King. From creating props and learning lines to rehearsing songs and dance routines, there is a real sense of excitement building as the production begins to come together.

In Year 1, children have been impressing their teachers with their fantastic phonics knowledge. Through games, songs, activities and, of course, the national Phonics Screening Check, they have shown great enthusiasm and confidence. We are incredibly proud of how hard they have worked throughout the year and the positive attitudes they have demonstrated this week.

On Thursday evening, we were delighted to welcome the parents of our new Reception children who will be joining us in September. It was a very well-attended event, where families had the opportunity to find out more about our school, learn about the transition process and collect their child's book bag and water bottle. It was wonderful to meet the newest members of our Chapelford family, and we are delighted that so many families have chosen Chapelford as their first-choice school.

Next week promises to be another busy one as we look forward to our Sports Day events taking place throughout the week. We are very much hoping the weather is kind to us, although rain is currently forecast. We will monitor conditions carefully and communicate any decisions regarding cancellations via ParentMail and our Facebook page at least one hour before the event. We kindly ask that families do not telephone the school, as this can block our phone lines.

For those attending Sports Day, access to the field will be via the side community gate or the rear gate from the back car park. Please take care when parking and be considerate of local residents, other drivers and pedestrians. The children have been busy practicing their races and are excited to compete for those all-important house points. Your attendance and encouragement mean a great deal to them, so please do check the dates and times for your child's Sports Day below.

As we begin to approach the end of the school year, many families will be starting to think about purchasing new uniform and replacing items that have been well worn or outgrown. Can I kindly remind parents that hoodies are not part of our school uniform and should not be worn in school. If you are unsure about any aspect of our uniform expectations, please do not hesitate to contact us. Lost property continues to be available outside the school foyers should you wish to check for any missing items.

I hope you all have a wonderful weekend and, with any luck, we manage to enjoy a little sunshine amongst the forecast rain!

Kind regards,

Mrs L Tottie

Year 2 Maths in Action

Year 2 pupils recently took part in an exciting Times Table Treasure Hunt as part of their maths learning. Using the knowledge they have built up throughout the year in addition, subtraction and multiplication, the children worked their way through a series of mathematical challenges.

After solving each question, they had to search the playground to find the matching answers, which had been hidden around the outdoor area. The activity encouraged pupils to think carefully, stay active and work together as a team.

By following the clues and solving the problems correctly, the children were able to collaborate to decipher a secret message. Everyone showed excellent determination, teamwork and mathematical reasoning skills, making the treasure hunt a fun and rewarding learning experience.

Reception Join OPAL

The Reception children have recently started enjoying OPAL playtimes and it has been a fantastic success. They have loved exploring the different play areas and discovering the wide range of exciting activities on offer.

One of the most popular areas has been the sandpit, where children have enjoyed digging, building and working together imaginatively. It has been wonderful to see their confidence grow as they explore new experiences, make friendships and develop their creativity through play.

The children have embraced OPAL with great enthusiasm, and the smiles, laughter and excitement seen at play-times have shown just how positive the experience has been. We look forward to seeing them continue to enjoy all that OPAL has to offer!

After a huge effort and some pressure, our Y6 athletics team have been crowned champions of Warrington for the 4th year running! A title Mr Capper is very proud of and is keen to roll into the 5th year next year, the pressure is on current Year 5s!!

The team competed in a 75m sprint, 600m distance run, a long jump and javelin throw; the highlight of the morning being all of our girls dominating the 75m sprint. They had 4 races, 4 wins and a 2nd (as 2 of our girls were in the same race). It isn't an easy competition to win, and the competitive 600m often surprises the children at just how tough it is.

The team won the event by 57 points where as 2nd, 3rd and 4th were only separated by 27, showing just how fantastic our athletes were on the day!

What a fantastic effort Y6 team. You should be so proud of yourselves 🏆

As part of the school's ambitious journey to becoming a High Performance Learning school, we encourage you to purchase and read this book which shows how you can grow the minds of your children and guide them to success both in school and in life.

We currently have copies of this book that as a parent you can loan from the school, please ask at the school office.

Chapelford are still working with Roberts Recycling - a specialist clothing bank company to raise funds for school. These clothes are collected up and redistributed around the world to places in need. This reduces the amount of clothes that go into landfill and ChaPTA receives money for every kilo donated for our children.

The clothing bank is located outside of the Chapelford Nursey gates, on the Sainsburys car park side of our school.
