## NEWSLETTER

Friday 12th November 2021

This Thursday was remembrance day and it was lovely to see our children joining together to remember the brave men and women who played a role in defending our freedom. Some children in craft club had even made their own poppies which they wore with pride around the school.

It's going to be a very busy week for all children in school next week but especially for year 6. Not only will they be meeting the local author Curtis Jobling, they will be visiting London too. The children are incredibly excited to see all of the wonderful sights of our capital city that they have been learning about in the classroom. The teachers tell me that they are just as thrilled to be ending the day with dinner at the Rainforest Café!

We are expected a riot of colour on Monday as it is Odd Sock Day so don't forget to send your child into school wearing a mismatched pair. It's a great way of starting anti-bullying week by celebrating what makes us unique. All of our children will be taking part in a range of activities to support the theme of One Kind Word. The week will be about hope and positivity and the kind things we can do to halt hurtful behaviour in its tracks.

Have a peaceful and enjoyable weekend

Kindest regards

Mrs Joanne Hewson  
Headteacher

### CHILDREN IN NEED

We will be holding an 'express yourself' day on **Friday 19th November** (non-uniform) and donations of £1 will be collected for Children In Need. On this day, we are encouraging children to come to school in a way that expresses their individuality as this also links to our diversity learning throughout the week.

### ODD SOCKS DAY

'Odd Socks Day' has been a huge success in highlighting diversity within our school in previous years. As a result of this, we have decided to hold this event again on **Monday 15th November** so pull out your socks and mix them up to show how we are all different.

Please be aware that we are a **NUT FREE** school as we have children in school with nut allergies. Please do not send your child into school with nut related products. Thank you

The organisers of Luminate, a spectacular, illuminated trail, are thrilled to be able to offer two new exciting locations here in the North West.
