Headteacher's Comment

It's been another busy but exciting week across school with plenty of opportunities for children to take their learning beyond the classroom. A particular highlight has been Healthy Schools Week, where pupils explored all aspects of wellbeing; from physical activity to mental health and everything in between. The enthusiasm and engagement shown throughout the week has been fantastic to see. To find out more and view some photos from the week's activities, head over to our Facebook page.

I would like to take this opportunity to thank all parents who completed our uniform survey. Your thoughtful feedback on aspects such as the practicality and affordability of our current uniform has been invaluable in shaping the changes we have now made and shared with families this week. Please check ParentMail and visit the school website to review the updated uniform expectations for the new academic year. If you have any questions or need any support with the transition, please do not hesitate to get in touch.

Looking ahead, you will find some important dates and reminders for next week listed below. One of the key events is our much-anticipated Summer Fair, run by ChaPTA, taking place on Wednesday 18th June. A huge thank you to everyone who took part in today's dress down day and contributed items for the stalls and tombola. Your generosity is very much appreciated. If you have not yet sent in a donation, don't worry as we are accepting them on Monday and Tuesday.

It's been lovely to see the children enthusiastic about selling the raffle tickets ahead of the summer fair prize draw. We have raffle tickets still available if you would like to purchase more. Please return any unsold tickets, money from sales, and completed stubs by Tuesday, so we can finalise everything ahead of the draw. Events like this rely heavily on our wonderful school community, and it's always heartening to see us all come together to raise funds — this time for an exciting racing track we hope to install on the field!

As we approach the end of term, this is an exciting time for the children as they begin to prepare for the next step in their school journey. It was a pleasure to welcome our new Reception families at Thursday's information evening. Thank you to everyone who attended. If you were unable to come, please contact the school office to collect your welcome box and letter, which includes information about your child's class teacher and their upcoming transition session. You can also find all the information shared at the event on our school website.

Wishing you all a lovely weekend.

High Performance Learning at Chapelford Village Primary School

As a school, we have adopted the High Performance Learning philosophy and framework, which is a unique teaching and learning framework to support us in establishing an ambitious school culture. We continue to embed our school values of Chapelford and our ethos to Learn, Achieve and Respect through weekly assemblies, classrooms discussions and through our reward system, including dojos, house points and certificates.

In addition to focusing on our values, we also discuss thinking strategies with the children known as ACPs (Advanced Cognitive Performance Characteristics). This half term, our focus is on 'Realising' which is the ability to work at speed and carry out tasks automatically. To support your child with developing their knowledge of realising at home, please encourage them to carry out tasks at pace and encourage practice of the same tasks to increase the ease of these.
