

# Chapelford Village Primary School

## NEWSLETTER

Friday 13th May 2022

Year 6 have had an amazing day today as they celebrated the end of their SATs. During the morning, they took part in a treasure hunt, played rounders and created some lovely art. This was followed by a picnic on the field as they ate their lunch with the teachers. The day finished with a special visit from the ice cream van and the children were treated to an ice cream each. We could not be more proud of our year 6 children and the hard work they have put into their learning.

The sun should be shining next week which is good news for Year 5 who are getting prepared for their visits to Llandudno next week. They are planning to visit the zoo, the copper mines and go on the tram to the top of the Great Orme. They will walk down the National Park and stop off to ride the toboggan and snow tubes. Of course, no visit to Llandudno would be complete without a trip to the beach and so the teachers have the buckets and spades packed, ready to go! There are some amazing activities planned for the children who are not going so they will have a great time in school too.

We hope you have received your ticket for the Jubilee celebrations. We have lots of great activities planned and are looking forward to you sharing these with us.

Have a lovely weekend.

Kind regards

**Mrs Hewson**

Headteacher

### Walk to School Project

Chapelford Village Primary School are launching the Walking to Schools project next week.

This project is to encourage children to walk, bike or scoot to school at least twice a week. Each morning the children will log how they travelled to school. If they complete the task they'll get a monthly badge to put on their coat /bookbag.

**Walking to School project will commence on Monday 16th May.**

## Star Learner
