Headteacher's Message

We have had a fantastic week in school with the children continuing to impress us each day. Throughout the week the children have taken part in democratic voting for our new school council representatives and it has been wonderful to see the children supporting each other – these have been announced in assemblies today.

They are looking forward to their first meeting and getting started on the pledges they have made. It has also been great to hear Year 5 beginning their brass lessons and I know the children are excited to bring their instruments home to practise. Our youngest children have settled into school extremely well and are enjoying exploring the classrooms and making new friends. Next week the work continues on their playground (Reception) and this area will not be accessible during certain times. Reception have been sent a separate letter today to share drop off and collection points next week.

As shared last week, the classroom doors open at 8.40am each morning and close at 8.45am. This is the same as last year but we are trying to ensure all children have arrived at class by 8.45am but if you arrive at the classroom door just after 8.45am please knock on the door and the teacher will let the children in. From 8.50am all children must come through the school office. Your support with this and feedback is much appreciated and I will continue to monitor how well this is working. Please support us in aiming to be prompt at the classroom doors for 8.40am.

Our after-school clubs are now live online for you to sign up for. We have a huge range of clubs available from Monday to Thursday including basketball, tag rugby, magazine club, games club, pocketrockets and more. These fantastic clubs are ran by a mixture of our own members of staff and coaching companies we work closely with. If you haven't booked already there are still some places available so please take a look. We look forward to these starting next week.

Wishing you all a lovely weekend.

Mrs Tottie

School Council Representatives 2024 - 2025

This week has been exciting and full of decisions and anticipation for the children in Years 2-6. They have been voting for the class member they would like to represent them in the school council.

On Monday, the candidates informed the class teacher that they wished to stand for council, so on Tuesday they started their campaign to convince their class mates that they were the best person for the job. The teachers all commented on the amazing presentations that were put forward, explaining how they were going to improve school life for everyone and what they would do to be their class's voice over the coming academic year.

Wednesday saw the democratic voting taking place. Children kept their vote a secret and placed it securely in the ballot boxes for their class. The results were then counted and announced in assembly today. We are delighted to share with you that the elected members of council are as follows:

Year 2	C7 - Daisy	C8 - Felicity	C9 - Scholastica	
Year 3	C10 - Ella	C11 - Will	C12 - Alfie C	
Year 4	C13 - Polly	C14 - Victoria	C15 - Elodie	C16 - Charlotte
Year 5	C17 - Henry	C18 - Ruby	C19 - Maanvi	C20 - Robert
Year 6	C21 - Nathan	C22 - Lily	C23 - Ana	C24 - Bella

We would like to say a huge well done to these children and also the other candidates who put a lot of time and effort into their campaign for becoming school councillor. We think you are all amazing!

High Performance Learning at Chapelford Village Primary School

As a school, we have embarked upon a journey of adopting a High Performance Learning philosophy and framework with the aim of becoming a High Performance Learning School. This is a unique teaching and learning framework to support us in establishing an ambitious school culture. As part of this framework, we have strengthened the children's understanding of our school ethos to Learn, Achieve and Respect. For this half term in Autumn 1, we will be focusing on what it means to Learn, which is to be Enterprising, Fearless, Open-mindedness and to be Dynamic. Each week, we will explore a different value and how all children can demonstrate this to be a high performer.

Value for Autumn 1 is **LEARN**
