

★ Friday 14th February ★

## Headteacher's Comment

What a busy and exciting half term we've had! We have all reflected on the wonderful opportunities our children have experienced, and if you'd like to review some of these, please visit our school Facebook page, where we've shared a PowerPoint presentation.

This week, representatives from Year 5 and 6 boys attended the County Finals in Crewe. The team performed admirably, showing excellent sportsmanship and coming third overall. We are incredibly proud of their achievement.

It was also lovely to see so many parents at our Spring Term parents' meetings. We hope these meetings have been helpful in discussing your child's progress, attainment and next steps. If you were unable to attend but would still like to meet with your child's class teacher, please don't hesitate to get in touch. A huge thank you to ChaPTA for running our book fair during parents' evening, which was a great success. Thanks to their efforts, we raised money and helped families access a wide range of high-quality books and stationery.

On 22nd February each year, Guides and Scouts around the world take a moment to think of each other and express their thanks and appreciation for the international movement. This date was chosen as it marks the birthday of Boy Scout Founder, Lord Robert Baden-Powell, and his wife, Olave Baden-Powell, World Chief Guide. To celebrate, we invite children to wear their Guiding or Scouting uniform to school on **Monday, 24th February 2025**, to acknowledge the incredible work of these organisations and share it with others.

We hope you all enjoy a lovely half term with your families, and we look forward to welcoming everyone back to school on **Monday, 24th February**.

Best wishes,

Mrs L Tottle  
Headteacher

## Safety Central Visit

This week, Year 2 and Year 5 pupils have been on an exciting trip to Safety Central, which is an interactive life skills centre run by Cheshire Fire and Rescue Service. The centre runs different sessions and workshops for children of different year groups and ages. Both year groups had a fantastic time exploring the centre whilst learning how to stay safe in different contexts.

The children in Year 5 have learnt how to prevent fires, explored road safety and looked at how to stay safe in the community and online. This is such an important topic for our children who are growing up in a time where technology is ever present and changing.

To further explore how to keep themselves safe and well, they discussed the importance of a healthy lifestyle. The children took part in a range of activities including role play, hazard spotting and even went shopping to pick out a healthy lunch! The centre staff and teachers were all very impressed with the children's behaviour and enthusiasm towards their learning.

The Year 2 children also took a fun-filled trip to Safety Central in Lymm, where they completed the exciting Safety Stars programme! The children explored key safety topics, from fire safety and first aid to staying safe at home and in the community. Through interactive activities and engaging workshops, the children developed essential life skills while having lots of fun. The children explored a home, train station, park, and shop where they had to pick out the potential hazards as well as learning about a balanced diet from the items picked up in the shop. This was a fantastic hands-on experience that helped our children understand how to stay safe in various situations. Well done to all our budding Safety Stars!

"The trip was good because it was really fun getting stars." - Scarlett

"My favourite bit was when we went into the bedroom because we had to spot what was dangerous." - Heidi

"I loved it because I got to see places I hadn't seen before". - Martha

"My favourite thing was collecting the stars". - Aurora

"It was super fun when we were doing the shop. It was the best school trip I have ever been on." - Harry

"I really liked the one where went into the bedroom and getting stars."- Fionn

# High Performance Learning at Chapelford Village Primary School

As a school, we have adopted the High Performance Learning philosophy and framework with the aim of becoming a High Performance Learning School. This is a unique teaching and learning framework to support us in establishing an ambitious school culture. As part of this framework, we have strengthened the children's understanding of our school values and how to behave under the framework of 'CHAPELFORD' and we continue to embed our school ethos to Learn, Achieve and Respect. For this half term in Spring 1, we will be focusing on what it means to show Respect, including to be Collaborative, Helpful and to Listen. Each week, we explore a different value through a school assembly, embed this within our classrooms through discussion and celebrate this with a weekly values award.

In addition to focusing on our values as part of our learning around how to behave, we are also introducing ACPs to the children to support them in understanding how we think. In Autumn, we focused on Metathinking: thinking about thinking and in Spring, we are looking at Linking: connecting new learning with our existing knowledge and thinking outside the box.

To support your child with developing their knowledge of linking at home, always be looking for patterns and consider whether you can create more links if you approximate by discussing with your child 'this is not exactly the same but it's a bit like....'

## Value for Spring 1 is RESPECT

### Helpful Award Winners

4	Heather	5	Ira	6	Aayrah	7	Inaaya
8	Oliver	9	Divisha	10	Zak	11	Hannah
12	Jack	13	Lily	14	Farrah	15	Elodie
16	Emma	17	Kyvas	18	Ethan	19	Sienna
20	Imogen	21	Libby	22	Will	23	Thomas S
24	Bella						

As part of the school's ambitious journey to becoming a High Performance Learning school, we encourage you to purchase and read this book which shows how you can grow the minds of your children and guide them to success both in school and in life.

*"Children begin to understand that effort on their part can bring substantial rewards. Their future is in their hands and the home is at the heart of that success." (pg. 7)*

We currently have copies of this book that as a parent you can loan from the school, please ask at the school office.

## Star Learners

1	Jacob	13	Bosco
2	Dhaya	14	Olivia

<b>Thursday 6th</b>	Year 2 Gulliver's World Parent Meeting at 4:30pm, please enter via the school office
<b>Monday 17th</b>	Year 3 - Class 11 and 12 Residential to Tattenhall

# Out of School Achievements

Congratulations and well done to....

**Louka** wanted to share what he did on Saturday morning, he wanted to go litter picking to keep Chapelford clean and tidy. He said "I want to help the environment".

He does this regularly and he is very proud.

Harriet and her netball team competed in the U10s ENG netball cup regional finals at the weekend against some of the best teams in the North, with a lot of hard work they have guaranteed themselves a place in the National finals in Essex next month.

Well done to you both.

## Safe and Responsible Driving and Parking

Unfortunately, we continue to be made aware of irresponsible and dangerous driving and parking around school at pick up and collection times.

At Chapelford Primary School, parents/carers are very fortunate to have access to two car parks which support drop off and collection times. The rear carpark was assigned initially to staff parking, but we have kept this open to support additional parking for our families.

Whilst most of our families park and drive with care and consideration to the children, I would like to give you some reminders that will keep everybody safe.

**DO NOT** park or stop on the yellow zigzags at the front of school as this restricts access to the road and visibility to children crossing the road and/or using the zebra crossing. **You are not legally able to park or stop in the area.**

**Only park** in marked bays and not in any other area of the carpark. This causes delays and reduces the ability for access to pathways.

**Only park** in the disabled car parking spaces if you have a valid disability badge, please display this in the window so staff can check if necessary. If you need to use the spaces for any other reason, please contact the school to discuss.

**Drive slowly** in and out of the carpark and pay particular attention to children and families waiting to cross the zebra crossing. Stop and ensure all children are over the zebra crossing before continuing.

We will continue to monitor this. We have also asked our PCSOs to continue to support in the monitoring this too.

The safety of our families and children is everyone's responsibility. Thank you for your support and co-operation.

## School Meals

Please be aware that we are a **NUT FREE** school.

We have children in school with severe nut allergies, please do not send your child into school with any nut related products.

Thank you in advance.

In line with the Government's Healthy School initiative parents are requested to only send healthy snacks for their children for break and lunch time. Please ensure these items are low in fat and/or sugar. Thank you for your co-operation.

School menu for week beginning **Monday 24th February**  
is **week 2**

## ParentPay

Can we request that children's ParentPay accounts are regularly topped up, to make sure the children continue to receive their school lunches and snacks.

Free School Meals end for pupils at the end of Year 2. School lunch is £2.80 per person per day it to be paid via Parentpay.

If you require more help please don't hesitate to contact the school office on [01925 712554](tel:01925712554) or email us on [office@chapelfordvillageprimary.co.uk](mailto:office@chapelfordvillageprimary.co.uk)

**Reminder** - Once money has been put onto your child's account this needs to be allocation to school meals.

Chapelford are still working with Roberts Recycling - a specialist clothing bank company to raise funds for school. These clothes are collected up and redistributed around the world to places in need. This reduces the amount of clothes that go into landfill and ChaPTA receives money for every kilo donated for our children.

The clothing bank is located outside of the Chapelford Nursey gates, o the Sainsburys car park side of our school.

For the latest news and information follow us on our digital platforms
