Residentials at Chapelford: Year 4 at Chester

Year 4's residential trip to Chester was a resounding success, with the children enjoying a range of activities including fencing, orienteering, map skills, and the hit of the trip, buggy building.

Throughout the challenges, the children demonstrated all of the

school's values, including collaboration, resilience, and open-mindedness. They worked well together as a team, showing impressive problem-solving skills and adaptability when faced with setbacks, making it a truly memorable experience for all.

The kids had a treat with the delicious food options, including pizza and mac and cheese for dinner, and a buffet-style breakfast in the morning that was a big hit. Meanwhile, the Chapelford staff were impressed by the children's exceptional behavior and respect towards all the staff working on the site, showcasing great manners and teamwork during their two-day stay.

Mrs Stewart, the Educational Visit Co-ordinator at Chapelford, has been on all of the residential visits this year and is thrilled to see the children flourish in different environments. She believes that these trips provide a unique opportunity for our pupils to develop important skills such as teamwork, and she takes great pride in offering this experience to Years 2 to 6 students. The final residential trip of the year is coming up next week when we take the Year 2 children on their first ever overnight trip with school. Mrs Stewart said, "This is a new trip for us and we are so excited to see what's in store for our Year 2s."

High Performance Learning at Chapelford Village Primary School

As a school, we have embarked upon a journey of adopting a High Performance Learning philosophy and framework with the aim of becoming a High Performance Learning School.

This is a unique teaching and learning framework to support us in establishing an ambitious school culture. As part of this framework, we have strengthened the children's understanding of our school ethos to Learn, Achieve and Respect. For this half term in Summer 2, we will be focusing on what it means Respect, which is to be Collaborative, Helpful and to Listen. Each week, we will explore a different value and how all children can demonstrate this to be a high performer.

Value for Summer 2 is **RESPECT**
