★ Friday 14th March ★

A busy week of residential visits!

We have had an exciting week here at Chapelford, with two fantastic residential trips taking place that have given our children the opportunity to learn, grow, and create unforgettable memories!

Year 3 - Tatton Hall Residential

Our Year 3 children from Class 10 had an amazing time on their second-ever residential trip to Tatton Hall! The trip started with a visit to the *Ice Cream Farm*, where the children had a fantastic time exploring a range of activities. They played on sand and water equipment and even tried their hand at rock climbing! One of the highlights was the *Gemstone Cove*, where the children sifted through sand to find colourful gems, which they were able to take home in little bags. Of course, no visit to the farm would be complete without a delicious ice cream treat!

Once they arrived at Tatton Hall, the children got straight into their activities. They made origami ice cream cones and participated in team games. The children were split into four groups, each aiming to demonstrate our Chapelford values and earn points from the teachers. There were plenty of prizes awarded throughout the evening! The next day, the children put their Geography skills to the test with orienteering and pond dipping activities. They used maps to crack codes and even discovered a newt in the pond!

It was wonderful to see our Year 3 children having so much fun while learning outside the classroom. Their enthusiasm and positive behaviour made us incredibly proud!

Year 4 - PGL Residential

Meanwhile, our Year 4 children had their own exciting adventure at *PGL*. On Thursday morning, the entire year group set off for this action-packed trip, where they had the opportunity to try new activities such as abseiling and rock climbing. The children worked together in teams, including walking a sensory trail blindfolded, which helped them to develop their communication and teamwork skills. It was great to see the children relying on each other to navigate safely.

One of the highlights of the trip was the evening entertainment around the campfire. The children sang, danced, and enjoyed the great outdoors with their friends, making memories that will last a lifetime. Of course, no residential trip would be complete without a warm cup of hot chocolate made by the teachers!

A Huge Well Done!

At Chapelford, we are incredibly proud of the wide variety of opportunities we offer our children, including residential trips. These trips are an invaluable chance for our children to grow in confidence, learn new skills, and thrive in a different environment. We would like to say a huge *well done* to all the children who participated in the trips this week. Their enthusiasm, participation, and excellent behaviour as ambassadors of Chapelford made us incredibly proud.

Thank you for your continued support, and we look forward to more exciting opportunities in the future!

High Performance Learning at Chapelford Village Primary School

As a school, we have adopted the High Performance Learning philosophy and framework with the aim of becoming a High Performance Learning School. This is a unique teaching and learning framework to support us in establishing an ambitious school culture. As part of this framework, we have strengthened the children's understanding of our school values and how to behave under the framework of 'CHAPELFORD' and we continue to embed our school ethos to Learn, Achieve and Respect.

Each week, we explore a different value through a school assembly, embed this within our classrooms through discussion and celebrate this with a weekly values award.

In addition to focusing on our values as part of our learning around how to behave, we are also introducing ACPs to the children to support them in understanding how we think. In Autumn, we focused on Metathinking: thinking about thinking and in Spring, we are looking at Linking: connecting new learning with our existing knowledge and thinking outside the box.

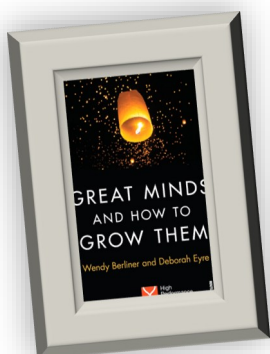

To support your child with developing their knowledge of linking at home, always be looking for patterns and consider whether you can create more links if you approximate by discussing with your child 'this is not exactly the same but it's a bit like....'

Value for Spring 2 is Achieve

Perseverance Award

Year 6 CGP Books

Please be reminded that SAT's revision books are still available to purchase on Parentmail.

Please can we remind all parents that in the interest of health and safety children are not permitted to use the playground or any of the equipment after school. We would like to encourage all parents and children to leave the grounds after pick-up so that the site can be secured and gates locked. Thank you for your co-operation.

Out of School Achievements

Congratulations and well done to....

This weekend **Roby** got man of the match at his football match and trainer of the week at his rugby!

Well done to you.

Mother's Day Messages—Please keep a look out in the coming weeks for some lovely messages in the Warrington Guardian from all the children to their lovely mums, carers and special people in their lives.

Monday 17th March St Patricks House children can come to school wearing their house colour green.

A reminder if you child has signed up to take part in Bikeright, please remember they need to bring their bike into school on the appropriate day.

School Meals

Please be aware that we are a **NUT FREE** school.

We have children in school with severe nut allergies, please do not send your child into school with any nut related products.

Thank you in advance.

In line with the Government's Healthy School initiative parents are requested to only send healthy snacks for their children for break and lunch time. Please ensure these items are low in fat and/or sugar. Thank you for your co-operation.

School menu for week beginning **Monday 17th March**
is **week 2**

ParentPay

Can we request that children's ParentPay accounts are regularly topped up, to make sure the children continue to receive their school lunches and snacks.

Free School Meals end for pupils at the end of Year 2. School lunch is £2.80 per person per day it to be paid via Parentpay.

If you require more help please don't hesitate to contact the school office on [01925 712554](tel:01925712554) or email us on office@chapelfordvillageprimary.co.uk

Reminder - Once money has been put onto your child's account this needs to be allocation to school meals.

Chapelford are still working with Roberts Recycling - a specialist clothing bank company to raise funds for school. These clothes are collected up and redistributed around the world to places in need. This reduces the amount of clothes that go into landfill and ChaPTA receives money for every kilo donated for our children.

The clothing bank is located outside of the Chapelford Nursey gates, o the Sainsburys car park side of our school.
