

Chapelford Village Primary School

NEWSLETTER Friday 15th July 2022

As part of their welcome to the world of work week, Year 6 have had a fabulous time learning about the opportunities open to them in later life. Take over day meant the children completed application forms, took part in interviews and the successful candidates spent the day shadowing staff within the school. Throughout the week, we have been welcoming visitors with different occupations into Year 6. We want to extend a huge thank you to all those visitors, many of which were parents, who shared their experiences and knowledge with the children. The children have really benefitted from this event and the week would not be possible without your support.

Finally, our EYFS managed to hold their sports day this week and it was an amazing event. The sun shone but not nearly as brightly as our children who were absolute stars! They were so enthusiastic that they now keep asking to do it again!

Next week, our last of this academic year. will be a particularly busy one. There will be the EYFS graduation ceremony and of course, the leaving assembly for Year 6. There will be lots happening in the other classes too especially on Monday when the children finally get to meet their new teachers. The Table of Awesomeness is also being held in the dinner hall on Monday and your child's school report will be given out too.

Enjoy the sunshine over the weekend.

Kind regards

Mrs Joanne Hewson

Headteacher
