## NEWSLETTER

Friday 15th October 2021

This first half term of the year seems to have flown by. As we return to more familiar routines and structures, we are so proud of our children who have amazed us all with their resilience and ability to adapt so easily. Visitors to our school often comment on the calmness around the corridors with the buzz of learning in the classrooms.

The second part of the autumn term will be another busy one. There are lots of events on the horizon but it will be an especially exciting time for year 6 who have a trip to London coming up and a residential to Robin Wood. There are other events for the rest of the school too including the Winter Disco, a Pantomime visit for years 1 and 2 and other Christmas treats. Our first event though has been arranged by Chapta who have organised a pumpkin competition on Monday 1st November. So don't throw away your Halloween pumpkin and enter the competition instead. You never know, your child could win a prize!

We will be holding our first Parents' evenings of this academic year during the first week in November. You should have received information about booking your appointment but if you have any queries either regarding this or anything else, then please contact the class teacher or school office.

All of us here wish you a relaxing and enjoyable holiday.

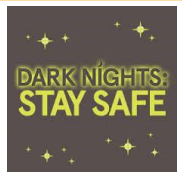

Kind regards

*Mrs Hewson*  
Headteacher

### Safety Notice

As darker nights are starting to close in please take extra care when walking home from school. Can we also remind all children about stranger danger, not talking to people that unfamiliar to us.

Do not go anywhere, or do anything with someone you are not comfortable with.

We are looking for volunteer gardeners who would be happy to help share their skills with the children at a Gardening Club that we hope to set up next term - please email [sbm@chapelfordvillageprimary.co.uk](mailto:sbm@chapelfordvillageprimary.co.uk) if you are interested.

Please be aware that we are a **NUT FREE** school as we have children in school with nut allergies. Please do not send your child into school with nut related products.

Thank you

*Well done to all that have received awards and certificates. Keep up the good work!!*

The organisers of Luminare, a spectacular, illuminated trail, are thrilled to be able to offer two new exciting locations here in the North West. Following their success in Margam Park and The Sandringham Estate in previous years it is wonderful to also be able to offer something closer to home for 2021 at Walton Gardens, Warrington and Victoria Park, Southport!
