★ Friday 16th May ★

SATs are over.....let the show commence!

THE GREATEST SHOWMAN

You came in each morning, calm and prepared,
Faced each new challenge with courage to spare.
We cheered you on—"Be proud, do your best,"
And you rose to meet every task and test.

But it's not just the scores that show how you've grown,
It's the smiles, the effort, the strength you've shown.
From warm morning breakfasts to high-fives and cheers,
You've worked so hard through these SATs-filled weeks and
years.

From teachers and staff to friends far and near,
We celebrate you with pride and a cheer.
You've done more than we hoped, you've made us all beam,
And we stand by your side, as you chase every dream.

Now the tests are all done, and the sun starts to shine,
You've one final chapter, one last bit of time.
So let's make it count, every moment, each friend—
A beautiful way for your Chapelford journey to end.

And speaking of endings (or should we say shows?)
We've got something special — as each of you knows...

"The Greatest Showman" will take centre stage,
With singing and dancing, a thrill to engage!
So, roll up, roll up for a dazzling delight,
With music and magic and spotlights so bright!
A celebration of dreams and of daring to shine,
Because, Year 6, **this is your moment, this is your time.**

High Performance Learning at Chapelford Village Primary School

As a school, we have adopted the High Performance Learning philosophy and framework, which is a unique teaching and learning framework to support us in establishing an ambitious school culture. We continue to embed our school values of Chapelford and our ethos to Learn, Achieve and Respect through weekly assemblies, classrooms discussions and through our reward system, including dojos, house points and certificates.

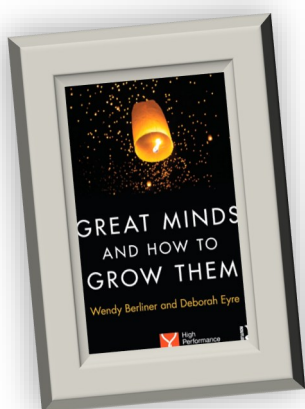

In addition to focusing on our values, we also discuss thinking strategies with the children known as ACPs (Advanced Cognitive Performance Characteristics). This half term, our focus is on 'Realising' which is the ability to work at speed and carry out tasks automatically. To support your child with developing their knowledge of realising at home, please encourage them to carry out tasks at pace and encourage practice of the same tasks to increase the ease of these.

Value for this week was **Achieve**
