## Chapelford children have a fantastic opportunity to learn from musicians from the Global Music Academy.

This week, children from Year 4 and 5 travelled the world through music workshops ran by talented musicians from the Global Music Academy. This experience included an Arabic Workshop- Palestinian Music with Saied Silback, Syrian Music with Louai Alhenaw, Body Percussion with Nino Brito and Irish Music with Rioghnach Connolly. The children experienced music from around the world, opportunities to learn dances from different cultures and even the use of instruments including the samba drums and anoud. The children were hooked by the talent and experiences of our visitors whose music has been celebrated across the world.

"Class 17 particularly enjoyed learning about all the different Arabic musical instruments and having the opportunity to play them, including the Tabla drum. They then learnt the moves of a Dabka dance and put them into action to the beat of the Tabla drum!"

Miss Garty, the Chapelford Music Lead, enjoyed music throughout her early education and is even classically trained in singing. Because she had such a positive experience with music in her childhood, she is passionate about delivering an engaging, broad and balanced music curriculum to the children of Chapelford with opportunities to play different instruments and learn about other cultures. As well as after-school music tuition, children in each year group learn how to play a different instrument in each year group. For more information, please look at the school website.

# High Performance Learning at Chapelford Village Primary School

As a school, we have embarked upon a journey of adopting a High Performance Learning philosophy and framework with the aim of becoming a High Performance Learning School.

This is a unique teaching and learning framework to support us in establishing an ambitious school culture. As part of this framework, we have strengthened the children's understanding of our school ethos to Learn, Achieve and Respect. For this half term in Summer 1, we will be focusing on what it means to Achieve, which is to be Aspirations, Perseverance, and Resilience. Each week, we will explore a different value and how all children can demonstrate this to be a high performer.

Value for Summer 1 is **ACHIEVE**

## Health & Safety Reminders

- ◆ **Reminder vaping is prohibited on the school grounds. Please do not use your vape until you are on the outside of the school gates. Thank you for your co-operation.**
- ◆ May we ask for support with the safe use and enjoyment of the climbing frame by ensuring children do not use it before and after school.
- ◆ Could we please politely remind parents to take care driving around both front and rear car parks at school drop off and pick up times, paying particular attention to the crossings as there have been a few near misses this week. Thanks in advance for your support with this as we all work together to keep our children safe.
- ◆ Smart Watches are not to be worn for school.
- ◆ E-SCOOTERS. Please can we take care on arrival to school on e-scooters.
- ◆ Bikes and scooters must **NOT** be ridden until outside of the school grounds!
- ◆ All ballgames including football are not to be played on the school playgrounds during drop-off and pick-up.
- ◆ School Gym Equipment is for pupils during the school day only.
- ◆ Please remember that dogs except for assistance dogs are NOT permitted on school grounds under any circumstances.

Please can we remind all parents that in the interest of health and safety children are not permitted to use the playground or any of the equipment after school. We would like to encourage all parents and children to leave the grounds after pick-up so that the site can be secured and gates locked. Thank you for your co-operation.
