NEWSLETTER

Friday 18th February 2022

This half term has absolutely flown by and this week has been just as busy. Year 6 had a lovely treat with a visit to Great Sankey High School to watch a performance by the students there. They said the event was absolutely amazing and gave the children a taste of life in high school. Elsewhere in the school, year 1 have been busy learning about axels and wheels as part of their DT learning and year 4 in their DT lessons have been thinking about how to make structures stronger.

It seems that this week has been full of treats as our winners of the lunchtime award raffle had a fantastic time attending The Table of Awesomeness as recognition of their exemplary behaviour at lunchtimes. We had some very excited children who were waited on and given a range of cakes and sweet treats, only after eating their dinners of course!

The teachers in each class also chose one child to attend the Head Teacher's tea party. They were invited to share their learning and give some examples of work they are particularly proud of. The children were just amazing! They explained all about their history topics, the skills they have acquired and the knowledge they now have.

Just a reminder that our World Book Day celebrations will begin on the first Monday back. On the day itself, Thursday 3rd March, we are inviting our children to come to school dressed as their favourite book character and to bring along a copy of the book. I know all of the staff have been busy looking in their wardrobes and putting orders in with Amazon! For some dressing up ideas and plenty of additional details, please visit our website where there is a dedicated page for World Book Day.

Wishing you all a lovely holiday break.

Mrs Hewson
Headteacher
