

Chapelford Village Primary School

NEWSLETTER

Friday 18th September 2020

I hope that you and your families are well. The children have been enjoying the surprise Summer sunshine this week and it has been lovely to see and hear so many of them enjoying some outdoor learning while they can.

You will receive via Parentmail today information regarding Chapelford blended learning approach; I appreciate that there is some reading involved and thank you in advance for your support. Please remember that if you need further clarification or support with anything, just contact class teachers or email Chapelford admin.

It is that time of year when we look to recruit new members for the Parent forum. For those of you who are new to the school or who may be unclear as to what is involved, this is a group of representatives from all classes throughout the school who meet half-termly to share parental feedback and insight into selected agenda items. Previously this has involved home-school communication, home learning and lunchtimes to give an idea of content. If you think you may be interested or would like to know more, we urge you to get in touch with Chapelford admin. We obviously have vacancies in the new EYFS classes but there are some gaps throughout other years as well and we are always keen to hear different perspectives and opinions. It is a relaxed and friendly group and there are usually cakes or biscuits of some sort too! We will be setting the agenda shortly for the first meeting of the year and this will be shared on our website in advance of the meeting to allow all parents to share feedback.

Year 6 developed British values this week in their democratic vote for the new Head boy and girl. I am delighted to announce that the children chose Atalia-Mai and Noah for the roles. At this point I will hand over to them to tell you a little about themselves.

Hi, I'm Amelia-Mai and I am so happy to be able to represent the school as Head girl for our school. I know that the role may look a little different this year as we will not be meeting parents face to face, but I look forward to interacting with all the year groups and looking out for the children who I can give Head girl certificates to for modelling Chapelford behaviour.

Hello my name is Noah and I hope that you are having a good day and enjoying the sun. I am elated to be elected as Head boy and am excited to get to know more parents at events across the year. I am an excellent communicator via Zoom so may even be able to help out parents who are finding this tricky! I will continue to be a good model and help other children to do well too.

Have a lovely weekend

School Office Notices

As the school is currently locked down during the school day can we all make sure that children come into school fully equipped for the day ie bookbags, water bottle, PE kit, to minimise the number of items which need to be collected and delivered to class by the office staff.

If your child has an appointment during the school day please can these be arranged with the school office prior to collection. If you have any queries please call the school office on 01925 712554 or alternatively email us on
