

★ Friday 19th July ★

As we reach the end of another school year, we wanted to take a moment to reflect on all the incredible moments and achievements we've shared together as a school community. This year has been truly fantastic with many special events and this week has been no different. Here is a summary of some of the things that have happened across school this week.

Year 6 Production of Matilda

Our talented Year 6 students put on a spectacular production of Matilda. Their hard work and dedication were evident in their special performance at Barrow Hall Theatre, and it was a wonderful showcase of their creativity and teamwork. We have received amazing feedback from parents and would like to thank Great Sankey High School for inviting us to use their facilities.

EYFS Graduation

Congratulations to our Early Years Foundation Stage (EYFS) graduates! We celebrated this important milestone with a joyful graduation ceremony, marking the start of their exciting journey in education. The EYFS teachers have commented that the children are more than ready for Year 1 and cannot wait to see the progress they make next year.

ChaPTA Treasure Hunt

One of the highlights of the year was definitely our whole school treasure hunt. Parents and children teamed up to solve clues and complete challenges. The event was made even better with delicious food on offer from the RG Food Truck and a range of stalls being ran by our Year 6 children as part of their enterprising week, our Enterprising Team won some wonderful prizes. It was amazing to see so many people take part and we feel that the event fostered a sense of community and adventure throughout the school. We managed to raise over £500 so thank you all so very much.

Year 6 Festival Day

To celebrate the end of their primary school journey, Year 6 enjoyed a festive day filled with fun activities, games, and memories that will last a lifetime.

A Year of Achievements

This year has been packed with remarkable achievements:

- Many Residential: our children experienced valuable learning and growth through various residential trips.
- Visitors to School: we welcomed several inspiring visitors who enriched our learning experience.
- Launch of OPAL and HPL: the introduction of OPAL (Outdoor Play and Learning) and HPL (High Performance Learning) has transformed our school environment, promoting active play and high academic standards.
- Excellent Learning: across all year groups, our pupils have demonstrated outstanding progress and a passion for learning.

It's always sad saying goodbye to our Year 6 children as they move on to pastures new, but we know they are more than ready for a new challenge. Over the years, they have grown, learned, and developed into confident and capable individuals who are well-prepared for the adventures that high school will bring. As they embark on this new chapter, we wish them all the best and look forward to hearing about their successes and achievements in the years to come. Our hearts are filled with pride and excitement for their future.

As we look back on this exceptional year and the achievements of all our children and hard-working staff, we are filled with pride and gratitude for the wonderful community we have at our school. We thank you for your continuous support and wish everyone a safe and joyful summer break. School will reopen for pupils on Wednesday the 4th September.

High Performance Learning at Chapelford Village Primary School

As a school, we have embarked upon a journey of adopting a High Performance Learning philosophy and framework with the aim of becoming a High Performance Learning School. This is a unique teaching and learning framework to support us in establishing an ambitious school culture. As part of this framework, we have strengthened the children's understanding of our school ethos to Learn, Achieve and Respect.

We have now completed our values for 2023/2024 and look forward to exploring these values in more detail in the Autumn term.

Out of School Achievements

Congratulations and well done to.....

Anvi played her 1st tournament for Penketh Panthers u8's group. Their team came 3rd place overall out of 14 teams and 2nd in their group. Anvi was awarded player of the tournament for her group.

Well done to you!

Guess the Name of the Teddy

The winner of Guess the Name of the Teddy stall during our Enterprising Event on Wednesday was:

George F from class 3.

Congratulation to you.

School menu for week beginning Monday 2nd September is Week 1.

Parent Feedback Survey

Earlier this week the school hosted a parents' evening where we opened our doors and welcomed the parents and carers. They were able to witness and discuss the phenomenal achievements and progress of the children in Chapelford Village Primary school. We would be most appreciative if you could complete the below survey that will provide vital feedback for the school.
