North West Air Ambulance Charity

Students at Chapelford Village Primary School were treated to a thrilling and educational experience when the North West Air Ambulance Charity paid a special visit to our school. The visit aimed to educate children about the vital role of emergency services and to highlight the significance of the charity's work in the community.

The North West Air Ambulance Charity operates 365 days a year, providing pre-hospital care to those who need it most. In 2023 alone, they were called out to over 3,100 missions, and an impressive 509 of those were

right here in Cheshire. This underscores the crucial role they play in responding to emergencies and delivering life-saving care.

What sets the North West Air Ambulance Charity apart is that they receive no NHS or Government funding. The charity relies solely on generous donations from individuals and organisations to keep their helicopters flying and to continue their mission of saving lives. This financial independence is what makes community support and awareness so crucial for their continued success.

The school visit served as an opportunity for students to gain insight into the work of the air ambulance service and the importance of swift and efficient emergency response. Students were able to explore the helicopter, learn about the equipment used by the medical team, and ask questions to better understand the intricacies of pre-hospital care.

This year marks the North West Air Ambulance Charity's 25th birthday. To find out how to contribute to this life-saving cause or to learn more about the charity's initiatives, please visit their website at <https://www.nwairambulance.org.uk/>.

The school extends its gratitude to the North West Air Ambulance Charity for taking the time to inspire and educate the next generation of community members on the importance of emergency services. Danny who delivered the inspirational talk stated, "I must commend the students of Chapelford Village Primary School for their exceptional behaviour and enthusiasm across all year groups. They are a true credit to the school and the community as a whole!" The visit reinforced the critical role that community support plays in ensuring the continued success of organisations like the North West Air Ambulance Charity.

Can we request that parents refrain from parking on Nashville Drive. With this road also being the access for Sainsbury's delivery trucks, it is becoming very busy and dangerous.

Thank you for your cooperation.

Lost Property

Over the first two terms we have accumulated a number of items of lost property within the school, in an attempt to return these to their owners, each class will place a clear box outside the collection door of their classroom each Friday with lost property items. You will be able to review items in there and collect any that belong to your child.

Any items that are clearly labeled are always given back to the child in the first instance, so please try to write your child's name on their items of clothing and other belongings (eg water bottle, lunch box).

Items that are not collected at the end of the term will be collated and recycled by the school.
