

Chapelford Village Primary School

NEWSLETTER

Friday 1st October 2021

It's been another busy time for the children here at Chapelford. Last Friday saw the whole school celebrating European Languages day. All of the children, even our very youngest, loved getting involved by thinking about different cultures and learning some new languages. If you look on our Facebook page, you will find Year 1 practising their French with an enthusiastic 'bonjour'! There are plenty more examples with Year 4 exploring languages beyond Europe as they learnt some Cantonese.

As part of the national curriculum, our KS2 children learn French. However, they not only learn the language, they also consider the culture and traditions of the country. It has been said that people who speak more than one language have improved memory, problem-solving and critical-thinking skills, enhanced concentration, ability to multitask and listening skills. I'm sure you'll agree that these are desirable life skills for all!

If you have any questions about the curriculum or any other aspects of teaching and learning, please email your child's class teacher.

Have a wonderful weekend.

Kind regards

Mrs Hewson
Headteacher
