### Year 6 - Enterprising Day Wednesday 3<sup>rd</sup> June

Dear Parents and Carers,

As part of Enterprising week this week, our year 6 children are learning about running a business. ChaPTA have invited Year 6 to take part in an Entrepreneurial themed project and, as part of this process, Year 6 will be working in teams to create a business plan that will help them to raise money for the school community. This business plan will be presented to the teachers for approval.

ChaPTA will be investing in their stalls and ideas to help buy the equipment and products they may need. The winning team, the team that makes the most profit minus the money they have borrowed to buy their equipment, will be entered in a draw to win a fantastic prize.

The children have been invited to run their stalls at the next ChaPTA event on **Wednesday 3<sup>rd</sup> June**. The event starts at 3:30pm and ends at 5:30pm so the children would set their stalls up at the end of the school day. Children may stay for some or all of the event. Permission to walk home can be granted in the same way as after school clubs until 4:15pm, however any time after this, they must be collected by an adult. **When a child is collected, they must inform a Year 6 teacher as a register will be taken.** As there will be a few children running each stall, they will be able to take a break during the time and visit the other stalls alongside family if tickets have been purchased.

As this event takes place after school, please complete the permission slip if your child is able to stay. We would appreciate if you could reply as soon as possible to allow the teams to organise their schedules. If the link could be completed no later than Monday 1<sup>st</sup> June, that would be greatly appreciated.

Please note that food and drink will be available to buy and your child will have time to visit the other stalls. If you have concerns about allergies and wish an adult to support any food choices, please let the class teacher know.

Yours sincerely,

Miss Garty  
Year 6 Group Lead
