### **Gulliver's World Parent Information Evening**

Dear parent/carer(s),

I would like to invite you to an information meeting to share details of the residential and to allow staff to answer any questions you may have. The details of the residential will be shared in full at this meeting. The trip includes a 1-night stay at the hotel, breakfast, lunch on both days, an evening meal, mix and match activities led by Gulliver's World staff and entrance into the theme park for the children to enjoy some time on the rides with friends.

The activities children will participate in are fun and engaging sessions which link closely to the Year 2 curriculum. This may include adventure golf, discovering what the site was like when it was RAF Burtonwood, Puppet Museum, Beat the Street music workshop, swings and round-a-bouts workshop and many more interactive, team-building and problem-solving activities alongside a night-time disco. Please note that to keep the cost as low as possible, we have asked that parents drop off and collect directly at Gulliver's World.

The meeting will take place on **Thursday 12<sup>th</sup> March at 4:30pm**. Please come to the main school office where a member of staff will direct you.

If your child has a medical need or allergies or they may need additional support, we urge you to attend the meeting so that details can be shared with staff members. Please note that all medicines, along with an administering medicine permission form, should be given to teachers by **Thursday 2<sup>nd</sup> April** to allow this to be cross referenced against medical forms and the appropriate risk assessment and paperwork to be completed. The only exception to this would be when medicine has been prescribed by a doctor after this date; in this instance, we ask that you share details as soon as possible.

If you have any questions in the meantime, please direct to the class teacher in the first instance or to the Year 2 Year Group Lead, Mrs Grice, if you need further support.
