

Headteacher's Comment

Dear Parents and Carers,

What a busy and wonderful week we've had here at Chapelford as we approach the Christmas holidays! The children have been working hard across all subjects, and there have been so many festive moments to celebrate along the way.

This week, the children have been completing some fantastic English-based learning across a range of cross-curricular subjects. Year 6 worked hard on their explanation texts about Mount Etna, demonstrating their knowledge of volcanoes and showing a clear understanding of what features need to be included in non-fiction texts. In Year 2, the children loved reading the story 'And Tango Makes Three' and created some wonderful instructions on how to be the perfect family. Through this text, the children explored the important theme of diversity and inclusion, reflecting on how all families are different, and how that's what makes them special.

We were overjoyed to see so many parents supporting the children during our festive performances. The children's singing and instrument playing during the Festive Greetings performances really brought the whole school into the Christmas spirit! It was fantastic to spread some holiday cheer together. A special mention goes to our youngest children who absolutely blew us away with their Nativity performance. The teachers were so impressed with the confidence they showed while speaking, singing, and dancing on stage. A huge thank you to all the parents for your support with organising costumes, helping the children practise their lines, and for coming along to watch the show. We truly think we have some future acting superstars among us!

The children have finished the week with a fun-filled party day! There were quizzes, pass-the-parcel, party games, and some delightful Christmas crafts—a great way to end a very busy term!

It's been a very eventful, but wonderful term, and we couldn't be prouder of the achievements and progress of all our children.

On behalf of all the staff at Chapelford Village Primary School, I would like to wish you and your families a very Merry Christmas and a Happy New Year! We are already looking forward to all the excitement that 2025 will bring!

Thank you once again for your continued support, and we hope you have a wonderful holiday season.

Best wishes,

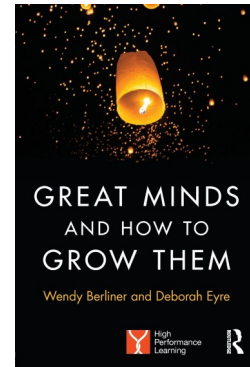

Mrs Tottie

High Performance Learning at Chapelford Village Primary School

As a school, we have embarked upon a journey of adopting a High Performance Learning philosophy and framework with the aim of becoming a High Performance Learning School. This is a unique teaching and learning framework to support us in establishing an ambitious school culture. As part of this framework, we have strengthened the children's understanding of our school ethos to Learn, Achieve and Respect. This half term for Autumn 2, we focused on what it means to Achieve, which is to be Perseverance, Resilience and Aspiration. Each week, we will explore a different value and how all children can demonstrate this to be a high performer.

As part of the school's ambitious journey to becoming a High Performance Learning school, we encourage you to purchase and read this book which shows how you can grow the minds of your children and guide them to success both in school and in life.

We currently have copies of this book that as a parent you can loan from the school, please ask at the school office.

Value for Autumn 2 is **ACHIEVE**

Headteacher's Tea Party

Some of our lovely children enjoyed a visit to the Head Teacher's tea party this week. The children had been chosen by their teachers for excellent work and demonstrating the school values. They were all very excited to share their learning with Mrs Tottie who was super impressed by everything they have achieved. The cake went down very well too!
