## Headteacher's Comment

### School Council's First Meeting

Our newly elected School Council had their very first meeting this week. They spent time discussing their roles, the format of future meetings and what they hope to achieve as a group. Some of their first priorities include looking at ways to continue to improve our outdoor play spaces and exploring ideas for upcoming events. We are very proud of them all and we look forward to hearing more from them soon as they start to represent the student voice!

### Reception Settling In

Our reception children continue to settle beautifully into school life. They've been having a wonderful time exploring the new natural area outside and it's been lovely to see them so engaged in outdoor learning. A huge thank you to parents for your support during the development of this play space—it's coming along fantastically! However, completion will be slightly delayed, with work continuing into next week. Please remember to check drop-off and collection points and avoid standing on any areas with wet pour, as it will take a few days to fully set.

### Open Days for Prospective Parents for Reception (September 2025)

We are delighted to announce that we will be opening our school to prospective parents for September 2025 admissions on **Wednesday, 9th October, from 4:30 pm to 6:00 pm**—no booking required. There will also be an additional open days during afternoons on **Tuesday 15th October** and **Thursday 7th November**, which will require booking through the school office. Please check the website for more details and feel free to share with any families who may be interested!

# Football Teams Triumph

This week marked the return of football competitions for our Chapelford Boys' Football teams following the summer break. After an incredibly successful competitive season in all areas of sport last year, our children were eager and ready to showcase their talent, sportsmanship and determination on the field.

On Tuesday, both our Year 4 and Year 6 boys' football teams had an outstanding performance, going undefeated throughout the day. With two tournaments taking place and two groups of winners emerging, it was a day filled with exceptional football and sportsmanship. Thursday saw our Year 3 and 5 boys head to Rylands to compete and mirror the success from the previous day. Both teams qualified for their finals event with the Year 3 team winning the the group and conceding 0 goals! Mr Capper said, "The Year 3 and 5 boys approached the day with such grit and determination. From a coach's perspective, they are a joy to work with as they support each other so well as teams."

All the teams displayed true champion spirit, securing their spots in the upcoming Warrington semi-finals/finals later in the school year. The Year 6 boys, who have been working tirelessly for years, finally achieved the title they have been striving for, after coming close year after year. Our Year 6 boys have also qualified for the County Finals, which are held in Crewe every year. This is a remarkable achievement that reflects their hard work and dedication over the years. A special mention goes out to our Year 3 and 4 teams, who played together for the first time and showed great teamwork and determination. The Year 5 team, although unsuccessful in winning the group, scored an amazing free kick and did not let the score impact their effort and team spirit.

## Player of the tournament:

**Year 3:** Kayden

**Year 4:** Connor

**Year 5:** Dahat

**Year 6:** Harry

It is a monumental achievement for three of our teams to remain unbeaten throughout the day, with the Year 3 and 6 teams not conceding a single goal in the tournament. We are incredibly proud of all the boys who participated yesterday and congratulate them on their well-deserved success. We can't wait to see how the teams progress further into the year. Well done, boys!

## High Performance Learning at Chapelford Village Primary School

As a school, we have embarked upon a journey of adopting a High Performance Learning philosophy and framework with the aim of becoming a High Performance Learning School. This is a unique teaching and learning framework to support us in establishing an ambitious school culture. As part of this framework, we have strengthened the children's understanding of our school ethos to Learn, Achieve and Respect. For this half term in Autumn 1, we will be focusing on what it means to Learn, which is to be Enterprising, Fearless, Open-mindedness and to be Dynamic. Each week, we will explore a different value and how all children can demonstrate this to be a high performer.

As part of the school's ambitious journey to becoming a High Performance Learning school, we encourage you to purchase and read this book which shows how you can grow the minds of your children and guide them to success both in school and in life.

***'Learning information is no longer enough - you can Google it. What you have to be able to do is to make use of knowledge - and you have to want to.'***

We are currently in the process of purchasing copies of this book that as a parent you can loan from the school. Please keep an eye out on future newsletters for more information.
