Chapelford Village's Sporting Success 2023 - 2024: A Summary of the Season from Mr Capper

To celebrate National School Sports Week we thought we would take a look back at the sporting successes we've had this year in all competitions; from the start of the year's sporting calendar with football to the upcoming final competition in rugby. As we have strived to further develop sport at Chapelford, we are proud to have had a variety of teams representing the school - and even some individuals representing too.

Earlier on in the year, we were very busy with both the boys and girls football teams. As you will have seen recently, most of them made the final of their event! We have to give a special mention to two of our footballing teams who did extremely well in their respective events. The Year 4 girls, who won locally in Warrington, went on to represent the school amongst Cheshire schools and this week they have played in the Warrington Finals. Our Year 6 boys, who went the one step further than the previous Year 6 team in the Warrington Finals, beat a team we haven't before to win, bring victory to Chapelford and be crowned Year 6 Champions.

Away from football, we finished 2nd in the local Sportshall Athletics competition earning us a well-deserved spot in more finals. This event was similar to other competitions we have taken part in and the children used similar skills in the Quad Kids Athletics - an event that we won against 18 other teams on the day. Further special mentions go to our 2 individual athletes, Jacob and Sienna, that won the boy's and girl's category! This was an amazing individual effort amongst the team to beat approximately 110 boys and 110 girls to the top spot.

2024 got off to a fantastic start with a series of gymnastic events, which enabled our gymnasts to show some serious skill off! We are very fortunate at Chapelford to have some incredibly talented gymnasts who train hard outside of school. To have them represent us as a school in competitive events has been an honour. Some of our athletes, from our Year 6 and Year 4 team, qualified for the county finals and were given the opportunity to go to a fantastic facility in Northwich to compete again.

One of the most popular sports in KS2 is rugby. We have played a lot of rugby this year with teams from Years 3, 4 5 and 6 participating in tag rugby non competitive festivals. We have an upcoming rugby finals match with the Year 5 and 6 squads playing in the Fire 7s competition at the Halliwell Jones stadium.

At Chapelford, we strive to make the competitions and sporting opportunities as broad and as inclusive as possible. For some children who hadn't had experience of a competition before, they were invited to a Tri Golf competition. The Year 4 and 6 teams won the Tri Golf competitions and they thoroughly enjoyed the day coming away with medals and certificates for winning both age groups.

One of our next sporting projects is to fully develop and run the inter-school competitions between the schools within the trust and the inter-year group competitions solely for children of Chapelford. This is following the success of our first inter-school Omega MAT Athletic competition, which the Year 6s participated in. We are hopeful, and really excited, that only more sporting opportunities will come the way of our Chapelford children.

There has been plenty of sporting success to celebrate across this school year: in school, representing school and also outside of school. We are incredibly lucky to have such a wide range of talent here at Chapelford and it really does show that we have some sporting superstars of the future. I eagerly await the years to come working with the children; enhancing their opportunities to compete for schools and bringing as much success as we can!

A huge well done to all of our teams and to the children who dedicated their time to after-school sport clubs, too. It has been a privilege to train with you, coach you, support you on competitions and share your success. I am already looking forward to next year!

High Performance Learning at Chapelford Village Primary School

As a school, we have embarked upon a journey of adopting a High Performance Learning philosophy and framework with the aim of becoming a High Performance Learning School.

This is a unique teaching and learning framework to support us in establishing an ambitious school culture. As part of this framework, we have strengthened the children's understanding of our school ethos to Learn, Achieve and Respect. For this half term in Summer 2, we will be focusing on what it means Respect, which is to be Collaborative, Helpful and to Listen. Each week, we will explore a different value and how all children can demonstrate this to be a high performer.

Value for Summer 2 is **RESPECT**

Parent Helpers

Are there any parents would like to help out on our trip to Kenyon Hall farm Tuesday 9th July can they let an EYFS teacher know. Thank you

Don't forget that next week is Sports Day for all year groups. It is forecast to be quite warm so we would like to remind all parents to ensure their children bring in a hat and water bottle, as well as sun cream to reapply before going outside.

Out of School Achievements

Congratulations and well done to.....

Ayse from class 8 made her family very proud this weekend and she wanted to share her happiness with school. She attended the Hannah Whelan 2 piece invitational and placed 2nd on floor, 3rd overall and received a dynamic vault award. It was her first external competition.

Well done to you!

Parking Safety Reminders

We have a few important reminders to ensure the safety and smooth operation of our school parking area.

To maintain a safe environment for all our children, family, staff and visitors, please adhere to the following guidelines when using the school car park:

1. **One-Way System:** Please follow the designated one-way route at all times. This helps to manage traffic flow and ensures everyone's safety.
2. **Allocated Parking Spaces:** Ensure you park only in the spaces allocated for parents and visitors. Do not park in staff-only or reserved areas.
3. **Disabled Parking:** The disabled parking spaces are reserved for those with valid permits. Please do not use these spaces or wait in these spaces unless you have a legitimate need and the appropriate permit.
4. **Zebra Crossing:** Always support and use the zebra crossing. It is essential for the safety of pedestrians, especially during busy drop-off and pick-up times.

Health & Safety Reminders

- ◆ **Reminder vaping is prohibited on the school grounds. Please do not use your vape until you are on the outside of the school gates. Thank you for your co-operation.**
- ◆ May we ask for support with the safe use and enjoyment of the climbing frame by ensuring children do not use it before and after school.
- ◆ Could we please politely remind parents to take care driving around both front and rear car parks at school drop off and pick up times, paying particular attention to the crossings as there have been a few near misses this week. Thanks in advance for your support with this as we all work together to keep our children safe.
- ◆ Smart Watches are not to be worn for school.
- ◆ E-SCOOTERS. Please can we take care on arrival to school on e-scooters.
- ◆ Bikes and scooters must **NOT** be ridden until outside of the school grounds!
- ◆ All ballgames including football are not to be played on the school playgrounds during drop-off and pick-up.
- ◆ School Gym Equipment is for pupils during the school day only.
- ◆ Please remember that dogs except for assistance dogs are NOT permitted on school grounds under any circumstances.

ParentPay

Can we request that children's ParentPay accounts are regularly topped up, to make sure the children continue to receive their school lunches and snacks.

Free School Meals end for pupils at the end of Year 2. School lunch is £2.60 per person per day it to be paid via Parentpay.

If you require more help please don't hesitate to contact the school office on [01925 712554](tel:01925712554) or email us on office@chapelfordvillageprimary.co.uk

Reminder - Once money has been put onto your child's account this needs to be allocation to school meals.

School Meals

School menu for week beginning **Monday 24th June** is **Week 2**.

In line with the Governments Healthy School incitive parents are requested to only send healthy snacks for their children for break and lunch time. Please ensure these items are low in fat and/or sugar. Thank you for your co-operation.

Please be aware that we are a **NUT FREE** school as we have in school with nut allergies. Please do not send your child into school with nut related products. Thank you
