Sporting Achievements This Week

Trampolining Triumph!

We are absolutely thrilled to announce the incredible achievement of one of our extremely talented pupils, **Emily**, who has been representing Chapelford in the sport of trampolining.

Starting with the **regional round**, Emily showed her outstanding skills and clinched victory. She then progressed to the **zonal round** in South Shields, where she faced schools from across the north of England and Northern Ireland. In an impressive display of talent and determination, she won that round too!

But the excitement didn't stop there. Last Saturday, Emily took part in the **National School Trampolining Finals** at the Derby Arena. Competing at a national level, Emily once again triumphed, emerging as the **National School Champion** in the **Year 1-6 Intermediate level!**

As if that wasn't exciting enough, Emily and her family also spotted **Princess Charlotte** competing in the Novice section, making the event even more special!

Congratulations to Emily for her hard work, perseverance, and success! We are so proud of you and your outstanding achievements. Well done!

Keep up the great work, Emily! We can't wait to see what's next!

Gymnastics Competition Highlights

This week, Sophie, Mia, Emily and Lyla took part in a thrilling competition, showcasing their hard work and skill. This was the County Final event that the girls qualified for earlier in the year. The event began with a 10-minute warm-up, during which the girls practiced their routines and prepared for the challenges ahead. The main event was divided into three exciting sections, each testing the gymnasts' abilities in different areas:

1. **Floor Routine:** Each gymnast performed their carefully prepared routine, demonstrating grace, strength, and precision.
2. **Working Together Session:** For this section, the girls had to think on their feet. They didn't have a plan ahead of time, so they were given a short amount of time to create a group choreography on the spot. It was a true test of teamwork, creativity, and flexibility.
3. **Vault:** The final section involved the vault. The girls had the opportunity to practice their run-through beforehand, and then each gymnast performed two vault attempts, which were scored by the judge.

While the scores were being tallied, the girls had the exciting opportunity to watch a competitive gymnast from the Great British squad, adding an inspiring moment to the competition. The event then ended with a medal ceremony, where some of our girls were recognised for their outstanding performances. A special mention goes to Mia who won first place!

We are incredibly proud of all the girls for their hard work, dedication, and sportsmanship throughout the competition. Congratulations to everyone who participated, and a special well done to those who received medals!

Keep up the amazing work! We can't wait to see what you achieve next!

After School Clubs

Please be reminded that all afterschool clubs finish on Thursday 27th March.

Home Learning Club will also finish on Thursday 27th March.

Monday 31st - Friday 4th April school will finish at 3:15pm for all pupils.

Trainer of the Week

A huge well done to **Paige** from class 15 for her phenomenal work and effort during our after school Netball club. Her dedication truly stood out, and the netball kit designs she created for the competition yesterday were fantastic! We're so pleased for all that Paige put into it.

High Performance Learning at Chapelford Village Primary School

As a school, we have adopted the High Performance Learning philosophy and framework, which is a unique teaching and learning framework to support us in establishing an ambitious school culture. We continue to embed our school values of Chapelford and our ethos to Learn, Achieve and Respect through weekly assemblies, classrooms discussions and through our reward system, including dojos, house points and certificates.

In addition to focusing on our values, we also discuss thinking strategies with the children known as ACPs (Advanced Cognitive Performance Characteristics). This half term, our focus is on 'Realising' which is the ability to work at speed and carry out tasks automatically. To support your child with developing their knowledge of realising at home, please encourage them to carry out tasks at pace and encourage practice of the same tasks to increase the ease of these.

Value for this week is **RESPECT**

Pupil Voice

Our Eco Team have been buzzing with activity this term! This spring, they have been planting new seeds to brighten up our green spaces and promote biodiversity across our school. They've also been getting creative with posters to encourage everyone throughout our school to save electricity and reduce their carbon footprint by turning off light switches and turning boards off when they are not in use. This week, the Eco Team were excited to join an RSPCA workshop all about hedgehogs and learning how to protect these special garden visitors. As part of the workshop, the children then had the opportunity to make their own hedgehogs using clay and spaghetti for their spikes. Some of the children have also shared what they have enjoyed about being part of the Eco Team this half-term, including the workshop:

Sebastian - "This term we have de-weeded plants all the plants outside and replanted seeds ready for spring."

Mia - "I loved learning that hedgehogs don't have spikes on their tummies, because they like to curl into a ball to keep warm and it would hurt them otherwise."

Lyla - "I really enjoyed learning more about hedgehogs and being able to create my own".

ParentPay

Can we request that children's ParentPay accounts are regularly topped up, to make sure the children continue to receive their school lunches and snacks.

Free School Meals end for pupils at the end of Year 2. School lunch is £2.80 per person per day it to be paid via Parentpay.

If you require more help please don't hesitate to contact the school office on [01925 712554](tel:01925712554) or email us on office@chapelfordvillageprimary.co.uk

Reminder - Once money has been put onto your child's account this needs to be allocation to school meals.

Chapelford are still working with Roberts Recycling - a specialist clothing bank company to raise funds for school. These clothes are collected up and redistributed around the world to places in need. This reduces the amount of clothes that go into landfill and ChaPTA receives money for every kilo donated for our children.

The clothing bank is located outside of the Chapelford Nursey gates, o the Sainsburys car park side of our school.
