

Chapelford Village Primary School

NEWSLETTER Friday 22nd July 2022

We've come to the end of another school year and we cannot be prouder of all of our children. They never cease to amaze us with their attitudes to learning and all their achievements. We value many things here at Chapelford, but understand that not all are measurable and so it was lovely holding our final Table of Awesomeness of the year.

This week also sees us saying goodbye to our wonderful Year 6 children. We send them on to their new high schools having had some amazing, memorable learning experiences ready to begin the next stage of their educational journeys. They celebrated in style with a festival on the field and I'm sure many of you got to see some of the exciting activities that they took part in. Remember year 6, the most important thing is being passionate about what you're doing and always give it your all. That is the key to success! Be safe and be happy.

It is always sad saying goodbye but we were happy to welcome our new EYFS children to the school as they visited us to meet their teachers ready for when they join us in September. All of the children throughout the school have met their new teachers now and the staff are busy preparing for the new academic year. But first, we are looking forward to the summer break!

All the staff and I would like to thank you for your continued support and wish you a happy and relaxing holiday.

Kindest regards

Mrs Joanne Hewson

Congratulations and well done to

Molly from Class 15 collected two awards and was awarded most improved player for her team this season.

Isaac from class 21 graded over the weekend and was awarded his

2nd Dan in karate, an amazing accomplishment.

Unbelievably proud of the Y5/6 Football team tonight participating at the Broomfield's Football Tournament. Undefeated throughout, only actually conceding 1 goal in open play. Game 1, 3-1 win. Game 2, 8-0 win. Game 3, 1-0 win. Into the Semi's and a 2-0 win. Final to a nail biting extra time and then penalties but after some amazing finishes and some top level goalkeeping, we won the tournament!! Absolutely fantastic display of skill from all of our players and I am so so proud of you all. A massive, massive well done..... Champione Champione Ole Ole Ole!!!!

Harrison from class 19 after successfully completing his walk up Snowden - raising money for Defibrillators around the area. Once again Harrison is happy to inform you that the second one has been installed at McDonalds.
