

Chapelford Village Primary School

NEWSLETTER Friday 24th June 2022

Year 1 had a fabulous day at Walton Gardens on Wednesday. They thoroughly enjoyed the children's zoo session where they were introduced to the goats, rabbits, cockerels and donkeys. They not only found out about carnivores, omnivores and herbivores, they also discovered how ducks waterproof their feathers. During the woodland walk where they identified different trees and plants, they collected leaves and twigs to make forest art in the style of Andy Galsworthy. The children were incredibly well behaved and listened carefully.

Year 6 have had a great introduction to high school learning as they completed a maths treasure hunt at Great Sankey High School. They found their way around different stations around the school, working out their speed and completing problems. Meanwhile, the science department of Great Sankey have been working with our year 5 children in school exploring streamline shapes and air resistance.

This weekend sees the Arley Hall Garden festival in Arley near Lymm. Our EYFS, year 1 and year 2 children have entered the school's gardening competition. We have planned a fabulous garden and the children have been growing plants and flowers as part of our display as well as making bird boxes, bird feeders and big hotels. The judging takes place on Saturday at 10:30am. It's a great day out and we would love to see you if you want to come and support us there.

Kind regards

Mrs Joanne Hewson

World of Work Week

We are still hoping for Parents that may have the time to come into school to talk about their chosen careers, helping to inspire the children and give thought as to what they may like to pursue for their future.

Please email Mrs Stewart if this is of interest to you nstewart@chapelfordvillageprimary.co.uk
