

High Performance Learning at Chapelford Village Primary School

As a school, we have embarked upon a journey of adopting a High Performance Learning philosophy and framework with the aim of becoming a High Performance Learning School.

This is a unique teaching and learning framework to support us in establishing an ambitious school culture. As part of this framework, we have strengthened the children's understanding of our school ethos to Learn, Achieve and Respect. For this half term in Summer 1, we will be focusing on what it means to Achieve, which is to be Aspirations, Perseverance, and Resilience. Each week, we will explore a different value and how all children can demonstrate this to be a high performer.

Value for Summer 1 is **ACHIEVE**

Out of School Achievements

Congratulations and well done to.....

Callan from Class 13 passed his karate grading and achieved his orange belt with tab, well done!

Sienna won the rhinos challenge Cup with her team this weekend against teams from all over the UK. They won every match over the 2 days.

Connor signed his first football contract on Saturday with Blackpool football academy.

Harps got “parents player” of the match on Sunday after she scored two amazing goals and saved a penalty. We are very proud of her.

Last weekend Izzy from class 22 competed in the British Qualifier at Telford.

She placed 1st place in both DMT and trampoline in the 9-14 age category and is hoping it's enough to qualify for the British Championships in October.

Well done to you all!
