## Headteacher's Comment

Dear parents and carers,

I can't quite believe it's the last day of Autumn 1 already! This half term has been incredibly busy, filled with exciting and engaging learning right across the school. I'm sure the children are ready for their well-deserved break and I hope you all have lots of fun doing whatever it is you're doing.

As part of our commitment to helping children understand how to keep themselves and others safe, we've spent some time this week learning about staying safe over the autumn break, particularly with Halloween taking place during the holidays. Please do spend some time talking with your children about what they've learnt and how they can put it into practice.

This week has been filled with celebrations and positivity as the children took part in Diwali dancing and learning. We were also very lucky to have some of our families who celebrate Diwali share photos of their festivities at home. The children have really enjoyed hearing the stories of light overcoming darkness and learning about the importance of kindness and togetherness. You can see lots of photos and videos from this week on our school Facebook page, which is the best place to keep up to date with all the amazing things happening in school and to see the learning in action for yourself.

Looking ahead, next half term is already shaping up to be another busy one! We have two residentials, Anti-Bullying Week, Parliament Week, Children in Need, school photographs, and more parents' information evenings taking place. Please see the dates below of all events taking place in November for your reference.

Finally, I'd like to take this opportunity to thank you all for your continued support this half term. We always want the very best for our children and the wonderful support we receive from parents and our wider school community makes this such a special place to be. From your generous harvest donations to your support for the PTA and attendance at parents' evenings; your involvement truly strengthens our partnership.

I hope you all have a lovely, restful half-term break and we look forward to seeing everyone back refreshed and ready for the new half term.

Kind regards,

# Celebrating a Wonderful Autumn 1 at Chapelford

As we reach the end of our first half term, it's the perfect time to pause, reflect, and celebrate everything that's been achieved here at Chapelford. This half term has been filled with exciting learning, new experiences and countless moments of pride across the school.

We believe it's so important for teachers, children, and everyone in our school community to take a moment to appreciate how far we've come - not just academically, but personally and socially too. Life at Chapelford is wonderfully busy, but moments like this remind us to celebrate the progress, effort, and achievements that happen every single day.

As part of our Values Curriculum, children have spent time reflecting on their highlights of the half term and making links between their experiences and our school values and seeing those values truly come to life. Whether it's through joining a new club, competing in a competition, making progress in lessons, or strengthening friendships, every child has something to be proud of.

We asked the children to think about the following questions as part of their reflection:

*Which personal skills do you think you have improved this half term?*

*Have you enjoyed the opportunities given to you?*

*What new experiences would you like to try next half term?*

It has also been lovely to welcome parents into school this week to review their child's progress and celebrate all the amazing things they do each day. As you can imagine, we are incredibly proud of every single pupil and all that they have achieved this term.

As we come to the end of this busy and inspiring first half term, we want to say a heartfelt thank you to all our children, staff, and families for their hard work, support, and positivity. It has been a joy to see so many happy faces, proud moments and incredible learning taking place across the school.

Each and every one of our pupils has achieved something special this term, from small personal goals to big milestones, and they should all feel immensely proud. Thank you to our families for working in such close partnership with us; your encouragement makes a huge difference.

We hope you enjoy looking back on the highlights of Autumn 1 and we can't wait for everything that's to come in Autumn 2!
