Friday 24th September 2021

As the dry weather continues, it's a joy to see the children completing as many of their PE sessions as possible outside. From the sounds of their laughter and chatter, it is clear they enjoy the challenges and activities set by the teachers. We aim to hold the Commando Jo sessions outside too and when we speak to the children about these lessons, they tell us they really enjoy the missions they have to complete. It's amazing just what the children can create from some tyres, cones, pipes and netting!

Our Year 5 children are a couple of weeks into their swimming lessons now. After a delay to our usual program, classes 16, 17 and 18 travel every Monday to the pool to catch up with their swimming tuition. So far, they are proving a great success. It's lovely to know that the children can once again visit public baths.

We often find some mix ups with kit and school uniform as they get changed for PE especially with our younger pupils. We would be grateful if you could help us out by making sure that all of your child's clothes and shoes are labelled with their name. If you do find that you need some new additional uniform, CHAPTA sell a range of good quality used clothing. Just contact them via the email on our website for further information.

Have a lovely weekend
Kind regards

Morning Procedures

We have a small percentage of children who arrive late in the morning. We understand that circumstances occasionally arise and that problems occur, we are more than happy to support families at these times. Please call school on these occasions and we will assist in the best way we can.

Please note that classroom doors will be opened at 8:40am and close promptly at 8.50am after which time your child will need to be signed in at the school office.

School finishes for all Pupils at 3:15pm.
We would appreciate your support in this matter.
