Winner Announced - Design a Football kit Competition

In a thrilling display of creativity and school spirit, students of Chapelford Village Primary School recently participated in a competition to design the next football kit for their our football team! With over 160 imaginative entries, it was a tricky decision to select a winner. A massive thank you to everyone who participated in our competition.

Amidst the excitement and anticipation, one design stood out from the rest, capturing the hearts of both students and staff alike - Sheeta emerged victorious with her innovative and eye-catching design.

Sheeta's winning design is already in the process of being transformed into reality, with the mock-up currently underway with our suppliers. The children expressed their enthusiasm for the new kit and it will make its grand debut in the upcoming school year. Commenting on the overwhelming response to the competition, Mr Capper stated, "We were blown away by the level of creativity and enthusiasm shown by our students. It's great to see that our football team holds a special place in their hearts, and Sheeta's design truly captures the essence of our school spirit."

Many students are eagerly anticipating the arrival of the new kit, eager to proudly wear it during matches and represent their school with style. We can't wait to see our teams wearing the design and winning lots of matches soon!

Congratulations Sheeta!

High Performance Learning at Chapelford Village Primary School

As a school, we have embarked upon a journey of adopting a High Performance Learning philosophy and framework with the aim of becoming a High Performance Learning School.

This is a unique teaching and learning framework to support us in establishing an ambitious school culture. As part of this framework, we have strengthened the children's understanding of our school ethos to Learn, Achieve and Respect. For this half term in Summer 1, we will be focusing on what it means to Achieve, which is to be Aspirations, Perseverance, and Resilience. Each week, we will explore a different value and how all children can demonstrate this to be a high performer.

Lost Property

Over the first two terms we have accumulated a number of items of lost property within the school, in an attempt to return these to their owners, each class will place a clear box outside the collection door of their classroom each Friday with lost property items. You will be able to review items in there and collect any that belong to your child.

Any items that are clearly labeled are always given back to the child in the first instance, so please try to write your child's name on their items of clothing and other belongings (eg water bottle, lunch box).

Items that are not collected at the end of the term will be collated and recycled by the school.
