Headteacher's Comment

Dear families,

As we reach the end of another busy week, I would like to take the opportunity to thank our parents, carers and the wider school community for your support and understanding in helping us keep our children safe during this week's heatwave.

Whilst it has been lovely to enjoy some sunshine, it has also brought additional challenges as we have worked hard to maintain routines and ensure children remain safe, comfortable and supported throughout the school day. We are incredibly grateful for the support shown by families and staff as we have adapted arrangements where needed.

We appreciate that the cancellation of Parents' Evening may have been disappointing for some families. However, with the exceptionally warm conditions and the long day and evening involved, we wanted to prioritise the health and wellbeing of everyone involved, particularly our staff and families. Thank you for your understanding and patience.

Whilst temperatures are expected to become cooler over the coming days, we will continue to monitor weather forecasts carefully and communicate any updates or changes as needed.

Next week is always an exciting time in school as children have the opportunity to meet their new class teacher and spend time in their new classroom. This is a positive and exciting experience, with lots to look forward to as we approach the end of the academic year. However, we also understand that for some children, changes in routine and thinking about a new year group can bring feelings of uncertainty or anxiety.

Please be assured that transition work will continue throughout the remainder of this term to help children feel confident, supported and excited about the year ahead. If you feel your child may find this transition more challenging, please do get in touch with your child's class teacher, who will be happy to offer support and guidance.

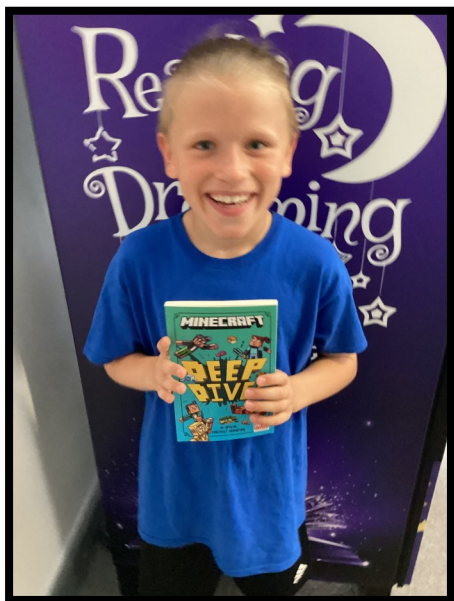

Please continue to keep an eye on ParentMail and our school Facebook page to stay up to date with school news and important communications.

I hope you all have a lovely weekend.

Kind regards,

Mrs L Tottie

Snack Ordering System Update - Pre-order via ParentMail

Since the start of this half term, our new system for ordering morning snack has been in place. Thank you to everyone for their support as we have navigated through this change.

A few useful reminders:

- Meals can be confirmed and paid for up to four weeks in advance.
- Bookings can be made up to 12:00pm the evening before.
- If your child is absent, meal balances will be credited so no money is lost.
- If you still have a ParentPay balance that needs refunding as you are not wanting to use the balance for lunches, please let the school office know.

The system is designed to be quick and easy to use and to streamline our in house snack process. If you need any support, please call into the school office and we will be happy to help.

Chapelford are still working with Roberts Recycling - a specialist clothing bank company to raise funds for school. These clothes are collected up and redistributed around the world to places in need. This reduces the amount of clothes that go into landfill and ChaPTA receives money for every kilo donated for our children.

The clothing bank is located outside of the Chapelford Nursey gates, on the Sainsburys car park side of our school.
