Headteacher's Comment

Dear Parents and Carers,

I hope this week's newsletter finds you well.

It has been a busy - and at times, slightly frustrating - week here at school, with the postponement of most of our sports days. We have been closely monitoring the weather using the Met Office forecasts and the decision to postpone was not taken lightly. However, the health and safety of our children and their families is always our top priority. With the recent rainfall, the field became too wet and unsafe to use particularly for races and other sporting activities.

We would like to say a huge thank you for your understanding and support. We are looking forward to seeing many of you at the rearranged sports day events next week. You can find the new dates further down in this newsletter and on our school Facebook page.

Our EYFS children were the lucky ones who managed to have their sports day today. It was wonderful to see our youngest pupils taking part in their very first Chapelford sports day, cheering one another on and showing such enthusiasm. A big thank you to all the adults who came along to support and to our pre-school friends from next door who popped over to watch. It made the morning extra special.

Next week is shaping up to be a very busy one, with the rearranged sports days, parents' evenings and whole-school transition activities taking place. Parents' evenings offer a lovely opportunity to celebrate your child's progress and achievements this year by reviewing their books and learning journey. If you have not yet booked an appointment, please speak to your child's teacher who will be more than happy to help.

Wishing you all a restful and sunny weekend. I hope to see many of you at next week's events!

Kind regards,

Mrs N Stewart

HPL Focus of the Week: Collaborative Learning

This week at Chapelford, our children have been focusing on the High Performance Learning (HPL) value of being **collaborative**. The week began with an inspiring assembly where children first reflected on last week's focus: enterprising and creative thinking. It was fantastic to see so many pupils confidently stand up and share how they had demonstrated these skills, whether it was thinking outside the box while den building or supporting our summer fair by running stalls and helping raise money.

We then introduced this week's value: collaborative, linking it to the quote by legendary basketball player and one of our Year 1 PE Game Changers, Michael Jordan, who said:

"Talent wins games, but teamwork wins championships." With sports days on the horizon, it was the perfect opportunity for children to reflect on how working together can lead to even greater success.

To support their understanding, pupils watched a short and light-hearted video of a group of meerkats working together to achieve a shared goal of getting something they really wanted! You can watch the video by following this link: [CGI Animated Short Film: "Catch It" by ESMA | CGMeetup - YouTube](#)

While fun and engaging, the clip sparked some powerful discussions:

- Was the meerkat at the top of the chain the most important?
- Did the one in the middle matter?

Would the team have succeeded if the meerkat at the bottom let go?

Even though the weather led to some sports day postponements, the children had plenty of opportunities to demonstrate collaborative learning in their classrooms and beyond this week. Whether through group problem-solving, supporting a friend, or team-based activities, they have embraced the value with enthusiasm.

We're excited to see this continue next week during our rearranged sports days, where pupils will be coming together once again to win those all-important house points as a team and earn the huge reward of the End of Year Chapelford Beach Party!

The Value, Attitude and Attribute (VAA) for this week
is **Collaborative**:

 **How can you work collaboratively during sports day?**

High Performance Learning at Chapelford Village Primary School

As a school, we have adopted the High Performance Learning philosophy and framework, which is a unique teaching and learning framework to support us in establishing an ambitious school culture. We continue to embed our school values of Chapelford and our ethos to Learn, Achieve and Respect through weekly assemblies, classrooms discussions and through our reward system, including dojos, house points and certificates.

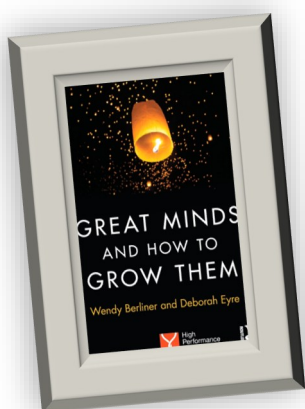

In addition to focusing on our values, we also discuss thinking strategies with the children known as ACPs (Advanced Cognitive Performance Characteristics). This half term, our focus is on 'Realising' which is the ability to work at speed and carry out tasks automatically. To support your child with developing their knowledge of realising at home, please encourage them to carry out tasks at pace and encourage practice of the same tasks to increase the ease of these.

Value for this week is **RESPECT**

Out of School Achievements

Congratulations and well done to....

Sonny, Olly and **Max** from class 22 walked up the Llanberis path of Snowdon on Sunday 22nd June. They completed the walk with some of their Matthiola teammates raising funds for the football team. They were little stars and braved awful weather conditions.

Trainer of the Week

A huge well done to **Brendon** for winning the Trainer of the Week trophy this week at Netball Afterschool Club! Your focus, skill, and determination really stood out. Keep aiming high — we're all so proud of you!

Health & Safety Reminders

Sandpit and the playground equipment

We know that our new sandpit and the exciting playground equipment can be incredibly tempting to utilise during the drop off and pick up times. However, due to health and safety concerns please can we ask that you refrain from using these. Thank you for your ongoing support with this.

Parental concerns and issues

We take all concerns and issues seriously.

- ◇ If you have any worries, please contact the school and/or class teachers directly via the following methods: Email the class teacher: All class teachers have a direct email – these can be found on the [school web-site](#)
- ◇ Email the school office: office@chapelfordvillageprimary.co.uk.
- ◇ Call the school: 01925 712554

School Meals

Please be aware that we are a **NUT FREE** school.

We have children in school with severe nut allergies, please do not send your child into school with any nut related products.

Thank you in advance.

In line with the Governments Healthy School incitive parents are requested to only send healthy snacks for their children for break and lunch time. Please ensure these items are low in fat and/or sugar. Thank you for your co-operation.

ParentPay

Can we request that children's ParentPay accounts are regularly topped up, to make sure the children continue to receive their school lunches and snacks.

Free School Meals end for pupils at the end of Year 2. School lunch is £2.80 per person per day it to be paid via Parentpay.

If you require more help please don't hesitate to contact the school office on **01925 712554** or email us on office@chapelfordvillageprimary.co.uk

Reminder - Once money has been put onto your child's account this needs to be allocation to school meals.
