Headteacher's Comment

A heartfelt thank you for your generous donations to our Macmillan Bake Sale at school today. The treats looked delicious and I'm sure the children enjoyed the little indulgence at the end of the day, all in support of such a worthy cause. Your kindness and participation are greatly appreciated!

Yesterday, we welcomed Reception parents for the first of our parent workshops. This focused on early reading and phonics and how we support children in school and at home. It was great to see many of you there. If you were unable to attend, we will be providing the information shared via parentmail and the school website. The next session is for Year 1 parents on Thursday 3rd October at 4.30pm.

As a school, we really value our open communication with parents and want to respond to queries or concerns as quick as possible. This can sometimes be challenging for teachers when discussions take place on the class door before or after school as the priority at this point is the safe supervision of all the children. If you would like to discuss anything with the teacher, please contact the school office or email the teacher directly so a phone call or meeting can be arranged at a mutually convenient time. We hope this will ensure effective communication between home and school continues.

I hope you all have a lovely weekend.

Kind regards,

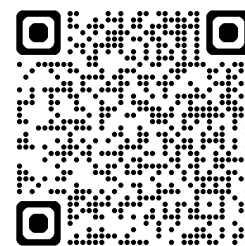

Mrs L Tottie
Headteacher

European Day of Languages

The children of Chapelford Primary School came together to celebrate European Day of Languages on Thursday the 26th September. This is an annual event dedicated to embracing diversity and exploring different cultures globally and within our school community. The event saw children across the school participating in various activities to learn about languages and traditions from around the globe.

In Key Stage One, the focus was on learning some French, which is the Modern Foreign Language studied here at Chapelford. Children engaged in learning basic French phrases, such as counting, greetings, through songs and rhymes and even responded to the register in French.

Key Stage Two classes were each assigned a different language to delve into. Teachers planned engaging activities and lessons based on the chosen languages, allowing the children to explore the different countries and their traditions. From Spanish to German, the children embraced the opportunity to broaden their horizons. Our Year 6 children thoroughly enjoyed finding out more about Poland. They explored the history of the country as well as learning some key phrases. Mrs Tickle said, "They have found this interesting as it links closely to their English book, Star of Fear, Star of Hope, which is a book set in World War Two." Our younger learners in Year 3 challenged themselves to learning some Spanish words and phrases and even performed a tongue twister about a coconut and a hippopotamus!

At Chapelford, fostering a sense of unity and inclusivity is at the core of our values. As a school community, we take pride in celebrating diversity and promoting cultural awareness. The European Day of Languages provided yet another platform for our children to expand their knowledge, embrace different cultures, and further develop their concern for society with a global perspective. Mrs Matthews, our MFL lead, said, "By participating in the celebration, the children have gained a deeper understanding of the world beyond their immediate surroundings, fostering a spirit of curiosity and respect for other cultures."

We are proud to be a welcoming environment that embraces the diversity of our community.

After School Clubs

Clubs have started this week and the corridors have been busy with excited children ready to make new friends and learn new things. Pick up can be an extremely busy time with the number of clubs we run after-school. All information regarding picking up your child from their club was communicated on the club overview. Please ensure you check the information carefully to know which pick-up point you are heading to. This will be confirmed via ParentMail. Thank you for your support.

High Performance Learning at Chapelford Village Primary School

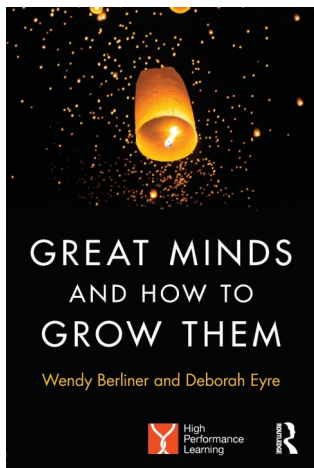

As a school, we have embarked upon a journey of adopting a High Performance Learning philosophy and framework with the aim of becoming a High Performance Learning School. This is a unique teaching and learning framework to support us in establishing an ambitious school culture. As part of this framework, we have strengthened the children's understanding of our school ethos to Learn, Achieve and Respect. For this half term in Autumn 1, we will be focusing on what it means to Learn, which is to be Enterprising, Fearless, Open-mindedness and to be Dynamic. Each week, we will explore a different value and how all children can demonstrate this to be a high performer.

We are pleased to say that we now have 3 copies of this book in the office to loan out, please contact the school office to organise the loan of this book.

'Parents have enormous impact on their children's academic success. Children are in class for only a small percentage of their waking hours, which could be that as little as 15 percent of their time awake is spent in class.'
