What's happening in school next week?

I think most of you would all agree that this academic year has absolutely flown by. It doesn't seem long ago at all that we were reopening the doors to school back in September and welcoming in all of our children again ready for a new year of learning. It has been a busy year with some notable changes to school including new buildings and playground developments and exciting learning opportunities for all children including residential visits, trips, visitors to school and much more - this half term in particular has been jam packed with different events and activities! As always, our children have been incredible throughout; their dedication to their learning and the way in which they demonstrate our Chapelford values makes us so proud.

As we approach the end of the academic year, the children will be completing some activities linked to transition. We know that leaving one year group and starting another is a huge change and we recognise that some children need more time and support to adapt. Next week, children will be meeting their new teacher and spending some time in their new group. At Chapelford, the teachers work hard to plan the transition days and will ensure children have the time to discuss any worries, produce some work to go in their new classroom and ask any questions they have. If you have any questions or concerns about your child's transition into their new year group, please speak to your child's class teacher. All parents have been invited to have an end-of-year review with the teachers as we hold the final Parents Evening of the year on Monday the 1st July and Wednesday the 3rd. Please ensure you have booked an appointment so that your child's class teacher can celebrate their success with you.

High Performance Learning at Chapelford Village Primary School

As a school, we have embarked upon a journey of adopting a High Performance Learning philosophy and framework with the aim of becoming a High Performance Learning School.

This is a unique teaching and learning framework to support us in establishing an ambitious school culture. As part of this framework, we have strengthened the children's understanding of our school ethos to Learn, Achieve and Respect. For this half term in Summer 2, we will be focusing on what it means Respect, which is to be Collaborative, Helpful and to Listen. Each week, we will explore a different value and how all children can demonstrate this to be a high performer.

Value for Summer 2 is **RESPECT**

In the interest of Health & Safety, and to protect our equipment, please can all parents ensure children do not use/access any of the playground equipment or areas before or after school. Thank you for your support in this matter.

Lost Property

Over the first two terms we have accumulated a number of items of lost property within the school, in an attempt to return these to their owners, each class will place a clear box outside the collection door of their classroom each Friday with lost property items. You will be able to review items in there and collect any that belong to your child.

Any items that are clearly labeled are always given back to the child in the first instance, so please try to write your child's name on their items of clothing and other belongings (eg water bottle, lunch box).

Items that are not collected at the end of the term will be collated and recycled by the school.

Parent Helpers

Are there any parents would like to help out on our trip to Kenyon Hall farm Tuesday 9th July can they let an EYFS teacher know. Thank you

Out of School Achievements

Congratulations and well done to.....

Indi took part in a Gym Competition on Sunday and came away with 5 Gold medals . She gained first place on all 4 pieces and crowned Overall Champion. She was also awarded the Artistry award of the competition for her floor routine and a beam award.

Good luck to **Sienna, Indi** and **Izzy** who are off to compete in their international in Malta next week representing The Wire Gymnastics Club.

Izzy H from class 22 has qualified through to the British Championships in both DMT and Trampolining. They will take place in October where she will hopefully add to her current titles National Schools Champion in Trampolining and British Champion in Gymnastics.

Well done to you all!

Parking Safety Reminders

We have a few important reminders to ensure the safety and smooth operation of our school parking area.

To maintain a safe environment for all our children, family, staff and visitors, please adhere to the following guidelines when using the school car park:

1. **One-Way System:** Please follow the designated one-way route at all times. This helps to manage traffic flow and ensures everyone's safety.
2. **Allocated Parking Spaces:** Ensure you park only in the spaces allocated for parents and visitors. Do not park in staff-only or reserved areas.
3. **Disabled Parking:** The disabled parking spaces are reserved for those with valid permits. Please do not use these spaces or wait in these spaces unless you have a legitimate need and the appropriate permit.
4. **Zebra Crossing:** Always support and use the zebra crossing. It is essential for the safety of pedestrians, especially during busy drop-off and pick-up times.

Health & Safety Reminders

- ◆ **Reminder vaping is prohibited on the school grounds. Please do not use your vape until you are on the outside of the school gates. Thank you for your co-operation.**
- ◆ May we ask for support with the safe use and enjoyment of the climbing frame by ensuring children do not use it before and after school.
- ◆ Could we please politely remind parents to take care driving around both front and rear car parks at school drop off and pick up times, paying particular attention to the crossings as there have been a few near misses this week. Thanks in advance for your support with this as we all work together to keep our children safe.
- ◆ Smart Watches are not to be worn for school.
- ◆ E-SCOOTERS. Please can we take care on arrival to school on e-scooters.
- ◆ Bikes and scooters must **NOT** be ridden until outside of the school grounds!
- ◆ All ballgames including football are not to be played on the school playgrounds during drop-off and pick-up.
- ◆ School Gym Equipment is for pupils during the school day only.
- ◆ Please remember that dogs except for assistance dogs are NOT permitted on school grounds under any circumstances.

ParentPay

Can we request that children's ParentPay accounts are regularly topped up, to make sure the children continue to receive their school lunches and snacks.

Free School Meals end for pupils at the end of Year 2. School lunch is £2.60 per person per day it to be paid via Parentpay.

If you require more help please don't hesitate to contact the school office on [01925 712554](tel:01925712554) or email us on office@chapelfordvillageprimary.co.uk

Reminder - Once money has been put onto your child's account this needs to be allocation to school meals.

School Meals

School menu for week beginning **Monday 1st July** is **Week 3**.

In line with the Governments Healthy School incitive parents are requested to only send healthy snacks for their children for break and lunch time. Please ensure these items are low in fat and/or sugar. Thank you for your co-operation.

Please be aware that we are a **NUT FREE** school as we have in school with nut allergies. Please do not send your child into school with nut related products. Thank you
