

★ Friday 29th September ★

Chapelford Village Primary School has launched an exciting array of after-school clubs that have brought an abundance of smiles and joy to our students this week. These clubs cater to a wide range of interests and talents, ensuring that every child can find something that interests them. From stimulating computing clubs to the imaginative world of sugar craft, our offerings are both diverse and engaging.

One of our first clubs to launch this week was Lego Club, organised and ran by Miss McCutcheon and Mrs Mercer. Here, our young learners are not only building fantastic creations but also developing essential teamwork skills. With teams swapping every five minutes, the children are challenged to adapt, communicate and collaborate effectively.

Mrs. Unsworth is leading a Sing and Sign club, introducing children to the captivating world of British Sign Language (BSL). Learning basic BSL is an invaluable skill and supports inclusivity. Witnessing the incredible progress of our students within just one week is a testament to the importance of this skill in our increasingly diverse world - take a look at our Facebook page to watch this for yourself!

This term, Miss Griffiths, an extraordinary baker, is leading a Sugar Craft club that not only unleashes creativity but also hones fine motor skills, making learning both delicious and educational! This week the children created intricate ladybirds and flowers - the results look amazing! We are excited to see their creations each week.

We look forward to keeping you updated with more exciting club news stories in the future!

The atmosphere was brimming with anticipation at Chapelford Village Primary as we discovered the results of our school council elections. The whole school have thoroughly enjoyed the entire process from preparing presentations, listening to other candidate's speeches and being able to cast their own vote in their year group's voting box! "I'm absolutely thrilled to work with this new team," exclaimed Miss Green who continues to support our school council team, "It was amazing to witness their enthusiasm and excitement throughout the election process." Their dedication to making a difference in our school is both inspiring and together they will shape an even brighter future for Chapelford Village Primary.

Here are your new school council representatives for this academic year:

We are thrilled to announce the outstanding individuals who will be leading Chapelford Village Primary School as our new Head Boy and Head Girl. Following a week of remarkable speeches that left Mrs Tickle and the Year 6 team thoroughly impressed, Abbie has been appointed as our Head Girl, and David will take on the role of Head Boy.

In light of the intense competition and incredibly close votes, Mrs Tickle had a special announcement to make. Recognizing their exceptional qualities, Izzi has been honored with the role of Deputy Head Girl, while Thomas has been awarded the position of Deputy Head Boy.

We are confident that this exceptional team of student leaders will continue to uphold the values of our school with dedication and enthusiasm.
