High Performance Learning at

Chapelford Village Primary School

As a school, we have embarked upon a journey of adopting a High Performance Learning philosophy and framework with the aim of becoming a High Performance Learning School.

This is a unique teaching and learning framework to support us in establishing an ambitious school culture. As part of this framework, we have strengthened the children's understanding of our school ethos to Learn, Achieve and Respect. For this half term in Summer 1, we will be focusing on what it means to Achieve, which is to be Aspirations, Perseverance, and Resilience. Each week, we will explore a different value and how all children can demonstrate this to be a high performer.

Value for Summer 1 is **ACHIEVE**
