Headteacher's Comment

What a lovely week it's been in school - helped along by some much kinder weather! We are so pleased that the sunshine finally made an appearance, allowing our sports days to go ahead as planned. A huge thank you to all our families for your patience and support with the rescheduling of events and for taking the time to come and cheer the children on. We've received lots of positive feedback about how smoothly the days ran and we really appreciate your kind words.

The children were fantastic. Whether they took part in one race or many, they gave it their all. It was wonderful to see their enthusiasm, fearlessness and, in some cases, that competitive edge as they pushed for those all-important house points! The final results will be added after this afternoon's sports day and our Head Boy and Head Girl will then carry out the much-anticipated final count of this year's house points. The winning house will be invited to our annual Chapelford Beach Party, which is an event we are all very excited about!

It has been a busy week in other ways too, with both parents' evening and transition activities taking place. All children have now spent time with their new teacher and visited their new classroom. Transition is always such a special moment in the year. There was a real buzz in the corridors as the children looked ahead to September with excitement and curiosity. Our Year 6 pupils spent time at their new high schools this week as part of their own transition journey and we also welcomed back our new Reception starters for time in their classrooms. It was lovely to see so many excited faces ready to begin their Chapelford journey.

We hope you had a chance to speak to your child's current teacher during parents' evening and hear more about the progress and achievements they have made this year. End-of-year reports will be sent home electronically on Thursday and will give you a fuller picture of your child's learning and development across the year.

With just two weeks left of the academic year, there's still plenty happening so please take a look at the key dates and reminders further on in this newsletter. As always, if there's anything you need or if we can help in any way, please don't hesitate to get in touch.

Have a lovely weekend!

Best wishes,

Mrs N Stewart
Headteacher

Curiosity is the fuel for discovery, inquiry, and learning.

As we approach the end of term, and the end of a fantastic academic year, we wanted to take a moment to celebrate the exciting, varied learning taking place across school. This term, children have been bringing together the knowledge and skills they have developed throughout their enquiry-based curriculum to complete final projects and outcomes. These have been a brilliant reflection of their curiosity and creativity.

Our curriculum is carefully designed to build subject knowledge and vocabulary over time, while encouraging children to think deeply, ask questions and apply their learning in meaningful ways. Here's just a small snapshot of what has been happening across school:

Year 1

Our budding artists in Year 1 have been researching, designing, and making their own sculptures! They explored different ways of joining materials, including split pins, glue, tape, folds and traditional joins, to construct their final pieces. The results were full of personality and creativity!

Year 3

Class 11 have been getting hands-on in science by designing and making their own toys using magnets. Using their knowledge of how magnets attract and repel different materials, they created innovative and interactive designs. Elsewhere in Year 3, children have been getting to grips with ICT. They each logged on using their unique username and password, learned how to create and type into a Word document and even practised using the shift key for capital letters. Everyone was incredibly focused and proud to save their first piece of digital work; a great step as they get ready for Year 4!

Year 4

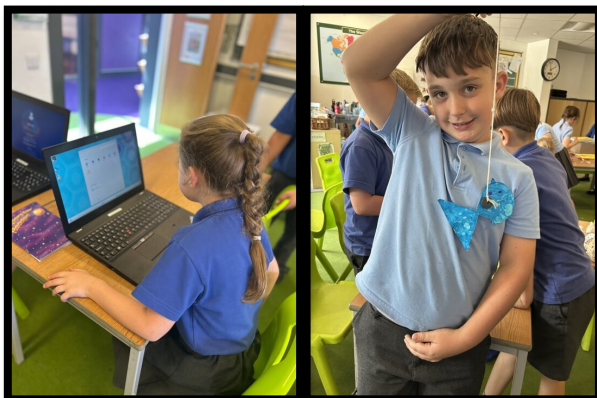

Year 4 recently headed outdoors to carry out fieldwork in Dakota Park. The children explored how green spaces in our local community are used. Working in groups and supported by their teachers, they made real-world observations and gathered data, bringing their geography learning to life. It was a fantastic opportunity to connect classroom learning with the world around them.

Year 5

This week, Year 5 have had a taste of high school maths! Visiting teachers from Great Sankey High School led sessions where pupils were introduced to scientific calculators and shown how to solve more advanced calculations. It was a brilliant opportunity to stretch their thinking and build confidence in preparation for the next steps in their learning journey.

We are so proud of how our children have applied themselves this term - not just in the classroom, but through every part of our curriculum. Their final projects are a wonderful reminder of how much they have grown as learners and thinkers over the year.

Keep an eye out for more examples of their fantastic work in upcoming Facebook posts.

KEY REMINDERS AND DATES

Date	Event
Monday 7 th July	Year 6 Blessing (in school during assembly)
Tuesday 8 th July	Year 6 dress rehearsal at Barrow Hall Theatre
Tuesday 8 th July	New EYFS cohort visit for Teddy Bears Picnic
Tuesday 8 th July	Year 4 Boys Football Finals
Wednesday 9 th July	ChapTA Summer Discos 4pm – 5pm: EYFS 5:15pm – 6:15pm: Year 3 and Year 4
Thursday 10 th July	ChapTA Summer Discos 4pm – 5pm: Year 1 and Year 2 5:15pm – 6:15pm: Year 5 and Year 6
Thursday 10 th July	Reports sent electronically to all parents
Friday 11 th July	Year 5 and 6 Rounders Competition
Reminders	
Next week is the final week that all clubs, including Learning Club, will take place. Any children who have a club that has been rescheduled for the final week due to a missed session have been informed. This does not affect Breakfast Club.	

High Performance Learning at Chapelford Village Primary School

As a school, we have adopted the High Performance Learning philosophy and framework, which is a unique teaching and learning framework to support us in establishing an ambitious school culture. We continue to embed our school values of Chapelford and our ethos to Learn, Achieve and Respect through weekly assemblies, classrooms discussions and through our reward system, including dojos, house points and certificates.

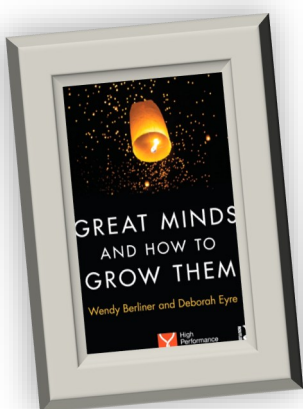

In addition to focusing on our values, we also discuss thinking strategies with the children known as ACPs (Advanced Cognitive Performance Characteristics). This half term, our focus is on 'Realising' which is the ability to work at speed and carry out tasks automatically. To support your child with developing their knowledge of realising at home, please encourage them to carry out tasks at pace and encourage practice of the same tasks to increase the ease of these.

Value for this week is **RESPECT**

Listening Award Winners

1	Freya	2	All of Class 2	3	Nethra	4	Joey
5	Willow	6	Aavya	7	Juniper	8	Grace
9	Enzo	10	Matthew	11	Eva	12	Taylor Y
13	Skye	14	Esther	15	Finley	16	Azaan
17	Bailey	18	Max	19	Gavin	20	Lily
21	Sandula	22	Maddie & Gracie	23	Heyz	24	Elise

As part of the school's ambitious journey to becoming a High Performance Learning school, we encourage you to purchase and read this book which shows how you can grow the minds of your children and guide them to success both in school and in life.

We currently have copies of this book that as a parent you can loan from the school, please ask at the school office.

Friday 18th	Year 6 Farewell from 2:30pm
Friday 18th	End of Summer 2 Term

Out of School Achievements

Congratulations and well done to....

Eva from class 21 performed on Saturday with her Gymfusion Squad at Warrington Gymnastics. Eva came off stage buzzing with confidence.

Health & Safety Reminders

Sandpit and the playground equipment

We know that our new sandpit and the exciting playground equipment can be incredibly tempting to utilise during the drop off and pick up times. However, due to health and safety concerns please can we ask that you refrain from using these. Thank you for your ongoing support with this.

Parental concerns and issues

We take all concerns and issues seriously.

- ◇ If you have any worries, please contact the school and/or class teachers directly via the following methods: Email the class teacher: All class teachers have a direct email – these can be found on the [school web-site](#)
- ◇ Email the school office: office@chapelfordvillageprimary.co.uk.
- ◇ Call the school: 01925 712554

School Meals

Please be aware that we are a **NUT FREE** school.

We have children in school with severe nut allergies, please do not send your child into school with any nut related products.

Thank you in advance.

In line with the Governments Healthy School incitive parents are requested to only send healthy snacks for their children for break and lunch time. Please ensure these items are low in fat and/or sugar. Thank you for your co-operation.

ParentPay

Can we request that children's ParentPay accounts are regularly topped up, to make sure the children continue to receive their school lunches and snacks.

Free School Meals end for pupils at the end of Year 2. School lunch is £2.80 per person per day it to be paid via Parentpay.

If you require more help please don't hesitate to contact the school office on **01925 712554** or email us on office@chapelfordvillageprimary.co.uk

Reminder - Once money has been put onto your child's account this needs to be allocation to school meals.
