Chapelford Sports Day 2024

Chapelford's Sports Day was a thrilling event, with the children representing their houses and competing in various races, including the Egg and Spoon, Sack, Obstacle Course, Ball skills, and sprint races. The competition concluded with a relay race featuring four children from each house, representing every class. The scores were so close at this point - you could feel the tension in the air! The crowd was electric as the houses cheered each other on, with Mr. Capper, Miss Webb, and Mrs. Ogden awarding bonus points for sportsmanship and collaboration.

On Tuesday, the competition was fierce, with the four house teams neck and neck. However, the atmosphere was filled with encouragement and support as the students gave their all. On Wednesday, the weather was perfect for sports, and Years 1-2 took to the field, competing in all the same races as before. They truly shone, earning more points towards the overall scores. The EYFS classes also impressed with their performances in new events such as the bouncy hopper race and bean bag balance.

It was wonderful to see how much fun the EYFS children had at their first-ever Chapelford Sports Day. All of our pupils did extremely well, and we are proud of their individual successes and teamwork. We know that some children may have felt nervous about participating, but it was a huge achievement to put themselves forward. We would also like to thank parents, carers and other members of the school community who came on the day to cheer on the children.

In the end, there could only be one winner. After tallying up the scores, we are pleased to announce St. Patrick's as our 2024 Sports Day Champions! We have to share that it was incredibly close and that there were only TEN points between St. Patrick's and St David's. A massive well done to our runners-up and you never know... it could be your year next time!

Transition

There has been a buzz of excitement around the school as the children undertook their transition sessions where they met their new teachers. During these sessions, the children spent time in their new classrooms completing a variety of exciting transition activities. We are so excited for September as the teachers are planning a wealth of wonderful activities to commence the first term.

High Performance Learning at Chapelford Village Primary School

As a school, we have embarked upon a journey of adopting a High Performance Learning philosophy and framework with the aim of becoming a High Performance Learning School.

This is a unique teaching and learning framework to support us in establishing an ambitious school culture. As part of this framework, we have strengthened the children's understanding of our school ethos to Learn, Achieve and Respect. For this half term in Summer 2, we will be focusing on what it means Respect, which is to be Collaborative, Helpful and to Listen. Each week, we will explore a different value and how all children can demonstrate this to be a high performer.

Value for Summer 2 is **RESPECT**

Health & Safety Reminders

Sandpit and the playground equipment

We know that our new sandpit and the exciting playground equipment can be incredibly tempting to utilise during the drop off and pick up times. However, due to health and safety concerns please can we ask that you refrain from using these. Thank you for your ongoing support with this.

School Meals

School menu for week beginning Monday 8th July is Week 1.

Recently our kitchen staff undertook the Environmental Health Officer (EHO) inspection. We are pleased to announce that they have been awarded a 5-star rating. We would like to take the opportunity to thank and congratulate the lovely kitchen team for their hard work and support.

In line with the Governments Healthy School incitive parents are requested to only send healthy snacks for their children for break and lunch time. Please ensure these items are low in fat and/or sugar. Thank you for your co-operation.

Please be aware that we are a **NUT FREE** school as we have in school with nut allergies. Please do not send your child into school with nut related products. Thank you
