NEWSLETTER

Friday 9th May

To Our Wonderful Year 6

From all the staff at Chapelford Primary School.

To our children in Year 6, the time is near,
The SATs week we've been talking about is almost here.
But just before the pencils start to glide,
We'd like to take a moment to share our joy and pride.

From EYFS in tiny shoes,
To singing Nativity festive tunes,
You've grown and learned in many ways,
Through the busiest of terms and the happiest of days.

From Llandudno's breeze to forest trails,
You've braved new paths, you've set your sails.
Helping friends and leading too,
Each step you took showed the best of you.

Now the SATs may seem a mighty thing,
But they certainly don't show the joy you bring.
They don't reflect your truest you—
Your kindness, courage, all you do.

Soon you'll step through a brand-new door,
With dreams to chase and paths to explore.
But wherever you wander, wherever you roam,
Chapelford will always be your home.

So try your best, and then let go,
The tests will pass before you know.
And after that? A summer cheer,
With memories to make right here!

We're proud of all you've grown to be,
So much more than a test can see.
So smile, breathe deep, and hold your head high,
You're stars already—reach the sky! ★

YEAR 6 SATs BREAKFAST

MONDAY TO THURSDAY

8:15

A range of delicious breakfast food will
be served to help fill tummies and relax
with friends before the tests!

High Performance Learning at Chapelford Village Primary School

As a school, we have adopted the High Performance Learning philosophy and framework, which is a unique teaching and learning framework to support us in establishing an ambitious school culture. We continue to embed our school values of Chapelford and our ethos to Learn, Achieve and Respect through weekly assemblies, classrooms discussions and through our reward system, including dojos, house points and certificates.

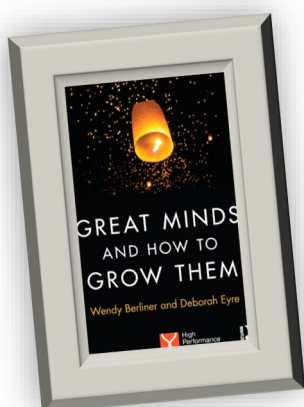

In addition to focusing on our values, we also discuss thinking strategies with the children known as ACPs (Advanced Cognitive Performance Characteristics). This half term, our focus is on 'Realising' which is the ability to work at speed and carry out tasks automatically. To support your child with developing their knowledge of realising at home, please encourage them to carry out tasks at pace and encourage practice of the same tasks to increase the ease of these.

Value for this week was **Achieve**

Parent Survey

Dear Parents/Carers,

We are currently reviewing aspects of our school uniform and PE kit policy and would appreciate your feedback. Within our policy review, our aims are to ensure:

- * All uniform is comfortable for the children and purposeful for activities carried out in school.
- * Clarity, consistency and uniformity across all aspects of our uniform.
- * Ensure the uniform is available from uniform suppliers and high street providers at a reasonable cost to parents.
- * Review of the expectation of number of branded and non-branded items.

Once the survey is completed and the policy has been reviewed we will share the agreed policy and expectations for September 2025. This will be shared by mid-June at the latest.

Please take a few minutes to complete the following short survey to help us understand your views. The survey will close on Wednesday 21st May 2025.
