

Friday 27<sup>th</sup> October 2023

Dear Parents/Carers,

During the week of the 13<sup>th</sup> – 17<sup>th</sup> November 2023 we will be celebrating our annual Anti-Bullying Week. The aim of the week is to make a noise about bullying so the children will be learning about how to spread the anti-bullying message. The children will be re-visiting the Anti-Bullying pledge created by pupils and taking part in various activities across the week to enhance their knowledge and understanding of friendships issues and bullying.

'Odd Socks Day' has been a huge success in highlighting diversity within our school in previous years. As a result of this, we have decided to hold this event again on **Monday 13<sup>th</sup> November** so pull out your socks and mix them up to show how we are all different. The brighter the better! This year we will also be holding an Odd Socks Parade where the children can showcase their odd socks with house point prizes for the most diverse socks.

We are also inviting you to join us in our mission to make Chapelford an anti-bullying community. On Tuesday, the children will be given a blue ribbon to wear with pride to show they stand up against bullying. We would like you to do the same so ribbons will be available from the school gates throughout the week for you to collect to help us spread our message. During the week, we will be holding a competition to design 'make a noise' stones, where the entries will be judged by our school council team. Children will then be placing ribbons and 'make a noise' stones around the school grounds and within the community. If you are out and about within the community and you manage to spot one, we would love for you to let us know. Please use #CVPSABW on twitter or facebook for us to see how many you can spot!

Thank you for your support, as always.

Any questions, please contact Mrs Matthews or Miss Race
