

Monday 3rd November 2025

Dear Parents and Carers,

We are excited to announce that from **Monday 10th to Friday 14th November 2025**, our school will be celebrating **Anti-Bullying Week!** This special week is all about coming together to make a noise about bullying — standing up, speaking out, and celebrating kindness, respect, and inclusion.

This year's theme is **“Power for Good”**, reminding us that each and every one of us has the power to make a positive difference. Throughout the week, our children will be exploring how they can use their voices, actions, and choices to spread kindness, support others, and help build a world where everyone feels safe, valued, and respected.

Bullying affects too many young people, but together, we can change that. Whether it's in the playground or online, at home or at school, we all have the **Power for Good** to stand up against bullying and help kindness shine through.

To kick off the week in style, we will be celebrating our much-loved **Odd Socks Day** on **Monday 10th November**. This fun event celebrates what makes us all unique — so dig out your brightest, boldest, and most brilliantly mismatched socks! There will even be house points awarded for the most creative and colourful odd socks!

The week will begin with a whole-school assembly where every child will receive a special **“Power for Good”** sticker as a pledge to show kindness, respect, and inclusion every day. Throughout the week, children will take part in a variety of engaging, age-appropriate activities across the curriculum — exploring what bullying is, how to spot it, how to speak out safely, and how to support others. These activities will help build empathy, boost confidence, and remind us all that kindness and respect are always in style.

We are really looking forward to a week filled with learning, laughter, and positive change — and we would love your support in encouraging your child to take part, talk about what they learn, and proudly wear their odd socks!

Thank you, as always, for your continued support in helping us create a safe, happy, and inclusive school community.

If you have any questions, please do not hesitate to contact me via my email address:
