Dear Parents/Carers,

During the week of the 15th - 19th November 2021 we will be celebrating our annual Anti-Bullying Week. The aim of the week is to understand the difference between minor friendship issues through to bullying and hate crime. Children will be clear on strategies to deal with such issues and know where to go for advice and support.

'Odd Socks Day' has been a huge success in highlighting diversity within our school in previous years. As a result of this, we have decided to hold this event again on **Monday 15th November** so pull out your socks and mix them up to show how we are all different.

The end of the week will be a celebration of our learning as well as recognising Children In Need. We will be holding an 'express yourself' day on **Friday 19th November** (non-uniform) and donations of £1 will be collected for Children In Need. On this day, we are encouraging the children to come to school in a way that expresses themselves as this also links to our diversity learning throughout the week. We are looking forward to seeing how the children come dressed to school and learning even more about them.

In addition, the School Council will be collecting donations for Children In Need by holding a 'Guess the Name of the Bear' event on **Friday 19th November**. Some of the School Counsellors will be going around classes collecting a donation of 50p to guess the name correctly. If your child would like to take part, please bring a donation of 50p to school. The winner will receive a large Pudsey Bear teddy as a prize.

Kind regards

Miss Lauren Stebbings
PSHE Lead.
